

TNOA

President's Monthly Newsletter

Dear Honorable members,
Greetings!

I feel extremely happy to communicate with you all through this PMNL (President's Monthly Newsletter).

March has been a month of anxiety and activity as the President of TNOA.

As most of you are aware that one of our senior members, Prof. M. Sudheer of Madras Medical College, Chennai was wrongfully detained in a Jail in Uttarpradesh on the basis of a false complaint. We received letter dated 2nd March 2017 from his wife Dr. (Mrs.) Gayatri Devi on 6th March 2017 through Dr. Stanley Micheal, Asst. Professor of Orthopaedics at Rajiv Gandhi Govt. General Hospital, Chennai who is also a member of TNOA.

Myself along with the EC members of Chennai, Prof. V.Thirunarayanan and Dr. E.Saravanan along with Prof. Dheen Mohammed Ismail, Prof. Singaravadivelu and Dr. Stanley Michael met the then Commissioner of Police Mr. George and gave a representation. We are grateful to him for a swift action. With the efforts of Tamilnadu Government Doctors Association and Postgraduate & Undergraduate students union of MMC, various forms of protests were organized. In that our senior members Dr. Balakrishnan, Prof. Nalli R. Yuvaraj and Prof. Singaravadivelu along with others expressed their solidarity. As the President of TNOA, I addressed the protesting students on 15th March 2017 and expressed our support and gratitude to them in this regard.

Myself along with Mrs. Gayatri Devi and Dr. Stanley Michael with the help of our members of Mid West Ortho Society, Dr. Meenakshi Sundaram (Fellowship Secretary of TNOA) and Dr. Premnath also met Dr. (Mrs.) TAMILISAI Soundararajan (Alumnus of MMC), President, Tamilnadu State Unit of BJP and gave a letter of representation.

With everybody's efforts, Prof. M. Sudheer was successfully released on unconditional bail on 16th March 2017 and he reached Chennai on 19th of March 2017. Kudos to the collective efforts of everyone.

I am herewith sharing with you my various other activities of TNOA during the month of March 2017. I am sure everyone of you is doing lot of social activities. I request you to do the same under the banner of TNOA also involving the Zonal representatives of TNOA and send a report to the Secretary, TNOA. Your suggestions are most welcome. Please do not hesitate to contact me at any point of time .

Regards,

Truly in TNOA Service
Dr. S. Ramesh Babu
