From the Desk of the President

Dear Honourable members of TNOA,

Greetings from Kovai!

I hope everyone of you are in good health and cheer amid the Corona Pandemic which is wrecking havoc in the world. It is sad that we lost few of our Orthopaedic colleagues and many fellow citizens across the country.

As the guidelines issued by Indian Orthopaedic Association and several renowned bodies helped us initially about how to start safe orthopaedic practice, full implementation of all the recommendations are not practically possible. I have enquired the safe practice approaches by different surgeons across the state. There seems to be many variations.

However, we have to be vigilant in the coming months as the Covid 19 spread is still in the uphill trend. I hope this Corona Pandemic will slowly wane away in the coming months.

Many members have benefitted from the “TNOA Professional Indemnity Scheme”. I request you to utilize this opportunity to save huge amount of money over several years!. I request all the members to take up the Bone and Joint activities and free surgery program in August 2020 in a big way which will help us to retain the prestigious AK Gupta trophy consecutively for 5 years!

We are all aware that Webinars and Zoom meetings help us to keep updated. We should continue to use this technology in future too to embrace all our members in remote places too.

Once again, I request you all practice safely during this pandemic.

“Safe Surgery Saves (Our) Lives”

Dr. S. G. Thirumalaisamy

President,
Tamilnadu Orthopaedic Association

From the Desk of the Secretary....

My dear TNOA Members,

I wish to thank you, members of the esteemed Tamilnadu Orthopedics Association, for having placed your trust and confidence in me. It's a great privilege to serve this prestigious association as the Secretary (2020-22). It is a gracious honor which I will treasure all my life.

The journey of a thousand miles begins with one step. Beginning the first step as executive committee member, I had chosen to bestow the best in all academic, societal and official contributions in my way. It then paved the way to next step as Fellowship Secretary and later the Joint Secretary of this association. I am humbled and grateful to the association and its honorable members

Today, our association has reached a level of being the role model for many state chapters of IOA. It had successfully brought many laurels and recognition for its achievements and won numerous awards to count in. Four consecutive award winners of AK Gupta Trophy and Best State Chapter of OASIS stood flambeau of its accomplishments. It's high time that we all persist and work relentlessly to stay with winning AK Gupta trophy all again.

As we all aware the current IOA President's Theme: "Excellence & Perfection in Orthopaedic Education and Patient Care: An Achievable Vision" and TNOA President's Theme 2020: "Safe surgery saves lives", we shall stride in effectuating it.

Technology will transform from something we actively use to a more seamless integrated experience that is 'on' all the time. TNOA mobile app is the centerpiece of digital convergence becoming the easiest communication portal of the future. I think it as one of the biggest changes we have taken shape with new standards to bridge the members and transform our activities and notifications seamless.

TNOA video journal is a digital hub reshaped by collections of surgical techniques in various subspecialties of Orthopedics surgery ultimately benefiting the members to gain and acquire knowledge in operative skills.

Journal of Orthopaedic and Joint Surgery (JOJS) is all new set to roll in with efficient team of editors and enriching manuscripts. I sincerely request you all members to glue into e- TNOA and becoming digital yourself.

Lastly, I wish to congratulate the dedicated and enthusiastic Vellore team for organizing TNOACON 2020 with grandeur and splendiddness wangling the highest number of registered delegates assorted with brilliant Scientific Sessions.

"No one can do everything, but everyone can do something, and we all together intend TNOA achieve greater heights.

Long Live TNOA!

Warm regards,
Dr PT Saravanan

Centenary Year of Prof. Dr. M. Natarajan

Prof. M. Natarajan was born on March 18, 1920 at Kamuthi, the erstwhile Madras State. After graduating as a B.A, he entered Stanley Medical College, Madras. He had a brilliant academic career winning medals and prizes including university and college blue ribbons earning the sobriquet, "Medal" Natarajan.

He joined Armed Forces Medical Service during the Second World War and then underwent training in orthopedics in the United Kingdom where he completed FRCS and MCh (Orth) in Liverpool with ease. On return, he became an orthopedic surgeon in Stanley Medical College and Hospital and a visiting surgeon in Government Tuberculosis Sanatorium for few years. His contributions for the Medical Education in General and Orthopedic Surgery, Traumatology and Rehabilitation in particular began during his tenure as a Professor and Head of department of Orthopedic Surgery, Madras Medical College and Government General Hospital, when he held for 19 years (1957-1976) in Madras. He was mainly responsible for the Holistic development of the specialty with starting of diploma and master's degree courses in orthopedics, a school of physiotherapy, a school of prosthesis and orthotics, drawing the plan for Government Institute of Rehabilitation and Artificial Limb Centre at Madras and blueprint for accident services for Tamil Nadu.

His widely acclaimed textbook for undergraduates has seen seven editions since 1982; his collaboration for "Madras Study of Tuberculosis" of Spine with Medical Research Council of Great Britain and Tuberculosis Research Centre of Indian Council of Medical Research, with US agency for rehabilitation and WHO has contributed vastly for better management of the common orthopedic problems of the developing countries.

He was conferred Honorary Fellowship of Royal College of England, Honorary D. Litt of Annamalai University and many more. He was a Founder Member of Indian Orthopedic Association (IOA), World orthopedic concern and Tamil Nadu Orthopedic Association. He retired as the Principal of Madras Medical College and was made the Emeritus Professor of Orthopedic Surgery of the college. He lived to see his eldest son Dr. Mayil Vahanan Natarajan achieving laurels such as First Director of Institute of Orthopaedics and Traumatology and President of IOA. He passed away at the age of 85 years in 2005. He has certainly made an indelible mark in the history of Tamil Nadu Orthopaedics, Indian Orthopaedics.

Dr. Raja Ravi Varma congratulated TNOA for crossing the milestone of 2000 life members. President said combined membership format proposed and followed since Dr Muralidharan- Past President period was the reason for achieving this target & now every state starts following the same.

V. Ratification of EC Meeting Resolutions :

Ratifications of the resolutions of the previous 5 EC Meetings and 1 Extra-Ordinary EC Meeting.

1.First EC Meeting to be conducted in TNOA office in Chennai Treasurer will co ordinate the arrangements for the meet

To make better use of our Chennai office and to centralized all activities. This resolution has been proposed by the EC. Moreover All EC members will be familiarized with office.

This resolution was unanimously passed. The first EC meeting of the new office will be conducted at our office in Chennai. The treasurer will co-ordinate the conduction of the meeting.

2.Printing of Journal

- JOJS will be printed and send to all members. e.journal will also be available.
 - Tamilnadu Orthopaedic Journal will be printed till indexing process is completed.
 - Communication addresses to be checked by secretary and to know the number of copies to be printed.
- At present the Tamilnadu orthopaedic journal is printed and send to all members. We have started the JOJS- Journal of orthopedics & Joint Surgery - online e.journal for indexing purposes. So the EC proposed this to prevent printing of both journals.

It is proposed

- Tamilnadu Orthopaedic journal is to be printed in few numbers till indexing process is completed.
 - JOJS will be printed and send to all members. e.journal will also be available.
 - The number of journals to be printed will be decided after checking the communication address.
- The number of copies to be printed and decided by the secretary.

It was passed by the GB.

3.Resolutions regarding TNOACON conduction – It was proposed

- All medal papers presented in TNOACON will be the property of JOJS.
- A written consent will be taken if papers are selected for Medal presentation.
- During Valedictory, New Treasurer take over will be before New Secretary Take over.

Dr. Antony Vimalraj corrected all the medal paper presentation will be the property of TNOA and not directly by the JOJS which was agreed by the general body.

It was resolved

- All medal papers presented in TNOACON will be the property of TNOA.
 - A consent is already taken for the medal papers but not strictly followed hence it is proposed a written consent form for all medal papers to be initiated.
 - During Valedictory function to accommodate the new treasurer takeover, the new office bearer take over will be in the order of the new treasurer, new secretary and then incoming new president.
- And the GB approved it.

4. In future both newsletters to be in e.edition

This was unanimously passed.

5.RS. 50 LAKHS CONTRIBUTION from IOACON-2018 is converted into a FD The Interest from the FD amount will be utilized for the maintenance, monthly expenses and salary of the office secretary.

This was unanimously passed.

6. Ballot and online election will be process for the next year.

Online election is being used more successfully by other associations, this resolution was proposed by the EC.

Dr C. Raja Ravi Varma said due to lot of lapses not able to proceed with online election during his term and recent IOA election also had some problems & suggested trial online election.

Dr PV Vijayaraghavan congratulated TNOA and its office bearers for the excellent work and appreciated president & editors for the journal indexing work and said online election have some reservations.

Election Process should be given to a neutral person.

Dr S Rajasekaran said its possible to conduct online elections in Tamilnadu and we should be forerunner for other states. We should set time frame for full online election may be from 2022 or 2023 & outsource agency names like TCS for the same.

Dr Francis Roy informed the GB, IOA takes 3 years for the transition from ballot to online process.

It was proposed by President that the cut-off period for complete online election, both physical and online voting will coexist.

It was resolved with

- Election officers WILL DECIDE THE MODALITIES OF CONDUCT for now.
- Registered members - online election
- Non registered members – ballot

And the GB passed it.

7. EC Members not attending the EC Meetings.

• If an EC member is not attending two consecutive EC meeting disciplinary action will be taken.

• If needed a new EC member will be nominated / Co-opted.

President said Madurai EC Member Dr Gopi Manohar is absent for many meetings and said Dr Shyam will continue for one more year as EC members of Madurai.

Dr Terrence said as per by-law, if an EC member not attending 3 meetings he should be expelled & should not contest again.

It was resolved with

- EC member not attending two consecutive meeting will be relieved from the Post.
- He will not be allowed to hold any post for the next 5 years.
- The new EC Member can be nominated / co-opted.

The GB Passed it.

8. Utilization of TNOA Mobile App for Journal, Conference, Registration and Elections.

• TNOA Mobile application is approved for application of membership and to be used for registration of conferences & CMEs.

Dr PV Vijayaraghavan said instead of co-opted member he should be special invitee without voting rights & all co-opted members like organising secretaries are special invitees. Dr Nalli Yuvaraj & Dr Rajasekaran also said they are only special invitees.

President Elect - Dr. Antony Vimalraj is the election officer for the 2020 election and was not confident in the usage of mobile app for the election. So for the time being, only journals, newsletters, activities & registration of CME's and conferences will be done through the Mobile App. And not for online election.

Dr. Terrence will be the admin of TNOA Mobile App for the 5 years and was suggested that he is to be made co-opted member of the EC.

The general body finally resolved

- TNOA App not to be used for online elections for now.
- Dr. Terrence will be the admin for the App for 5 years
- Dr. Terrence will be only a special invitee for the EC meeting and will not have any voting rights.

9. Inauguration in CME -20 Minutes & Conference – 1 Hour.

• Inauguration of conferences to one hour and 20 minutes for CMEs.

The General body resolved that

- Inaugural function should be 20 minutes
- Inaugural ceremony conference should be 1 hour with 5 to 7 minutes report by the secretary.
- In the general body meeting, the secretary report can be upto 15 minutes.

10. Membership contribution FEE for OASIS to be increased from Rs. 100 to Rs. 200

- TNOA had been contributing a sum of Rs 100 as membership fee for OASIS.
- OASIS has requested increase the membership fee from Rs. 100 to Rs.200

The General body accepted for a member fee contribution to OASIS to be increased from 100 to 200

11. One more EC Member for Chennai zone.

- At present Madras Ortho Society- Chennai membership is around 520 and there are 2 EC members.
- one more EC member to be allotted for Chennai zone.

Dr Raja Ravi varma said as per GB resolution, 2012 not more than 2 EC members per zone, since then treasurer to be selected from Chennai zone (past EC Member), they need one more EC Member. Dr Natesan reminded as per past GBM decision, no more EC members. Dr Antony Vimalraj – Vice President said last GBM only 2 more editor posts created. Dr Selvaraj wants more EC Members for Chennai zone. Dr Thirunarayanan requests GB to consider equal opportunity to Chennai zone as membership crossed more than 500.

Secretary suggested if the zone crossed 200 members, can add one more EC member.

Dr Singaravadivelu said one additional EC Member for a zone which crosses 500 members.

Dr Natesan said travelling allowance has stopped to EC Members as per last GBM.

Dr S Rajasekaran said if we increase, in future EC Meeting will become classroom.

GB passed one more EC member for Chennai and follow the existing bylaws for other zones.

12. IOA Co-ordinators to be routed through the Executive Committee.

Dr PV Vijayaragavan said its good idea and don't know whether IOA accept the same. President informed to take up the matter in 1st EC Meeting of IOA.

13. Addition of Sports Medicine to TNOA Dr. David V Rajan Arthroscopy Gold Medal

- It is proposed to add the Name Sport injuries and rename it as

“TNOA- DR. DAVID V RAJAN- ARTHROSCOPY & SPORTS MEDICINE GOLD MEDAL”

The General body accepted.

14. TNOA Prof. A. Devadoss Meritorious award is to be selected by Executive Committee and not by nomination.

Dr C. Raja Ravi Varma said nomination is needed. Dr Venkatesh unrecognised members themselves or some one should send nominations. Dr Ramesh Babu said application should come from the zonal member.

Dr Rajasekaran suggested EC can also nominate or recommend a member. Dr Singaravadivel said EC members can find out a suitable senior member and nominate.

GB passed a resolution of selection of awardee will be based on application / nomination from member or Executive committee.

15. To conduct a Oration “ TNOA Prof. TKS. Mid Year Oration “ for 30 minutes during TNOA. Prof. TKS Mid Year CME

- To conduct a TNOA Prof. TKS. Mid Year oration for 30 minutes during the CME meet.

GB resolved that

- To include TNOA Prof. TKS. Mid Year oration for 30 minutes during the CME meet.
- The oration will be conducted in honour of Past President Dr. Natesan for his Contribution to orthopaedics in his rural zone and for the activities in TNOA.
- The oration will be called Dr. Natesan TNOA Prof. TKS Mid Year Oration.

VI. TNOA SUB SPECIALITY GOLD MEDALS

We had three pending medals.

Arthroplasty, Foot & Ankle and Oncology.

The oncology sub speciality medal has been proposed by Dr. Muralidharan in the name of Prof. Dr. Mayilvahanan Natrajan. It was passed by the GB to be named as

“TNOA Dr. Mayilvahanan Natrajan Medal for orthopaedic Oncology “.

Dr. Jaikish & Trichy Ortho club had proposed the name of Prof. B. Radhakrishnan for the Foot & Ankle sub speciality Medal and it was forwarded to the selection committee headed by Prof. Dr. Sivakumar.

Dr Siva kumar informed the GB, in 2016-17 sub speciality medal selection committee was formed. He is the chairman and Prof Devadoss, Prof Paul Iyyakutty and Dr Natesan are members. Selection criteria is based on orations, papers, publications, medals and lectures on particular field. Committee submitted the report based on these criteria. GB should decide whether to name it after Prof. B. Radhakrishnan.

Dr Jaikish requested the GB to reconsider the decision as Prof B. Radhakrishnan contribution to foot and ankle is well known to everyone. President said selection committee appointed by the GB approved only oncology medal, we should accept the decision of selection committee. Dr Ismail asked what prevents to prefix Prof Radhakrishnan's name for Foot & Ankle Sub speciality medal.

Dr Gulam said, we conducted TNOA Mid-year CME with the theme on Foot & Ankle under the guidance of Prof Radhakrishnan and GB should reconsider.

Dr C. Raja Ravi Varma said we should consider. Dr Manimaran said his dedicated work in a small centre should be respected and GB should reconsider the decision. Dr Ramesh Babu suggested the proposers should resubmit the nomination with more supportive evidence, these types of situation should not come again and EC should formulate proper protocol / guidelines. President also directed Trichy / Thanjai ortho club to resubmit the nomination.

Dr PV Vijayaraghavan said if the money is accepted, we should not deny. Its unfair, should not postpone. Dr CJ Ravi said after raising funds and deposited to TNOA Account, denying is not fair. After so much of debate on this issue GB's decision was sought.

It resolved to name the Subspecialty medal for foot and ankle in the name of PROF.B. Radhakrishnan, from Thanjavur. It is to be called TNOA Prof. B. Radhakrishnan Medal for Foot & Ankle.

With the successful conduct of the IOACON 2018 we were able to receive Rupees one crore to the TNOA by the IOACON organizing committee. The left over money of Rs.50 lakhs after purchase of our office and furnishing has been made into a FD. The interest amount from the FD will be utilized for payment of maintenance, office secretary salary & other expenses. We are bound to thank the organizing committee of IOACON-2018 for making this possible.

20. Zonal Club Office Inauguration - Madurai Orthopedic society is the first Regional club of TNOA to have its own office building. Inauguration of the registered office was conducted on 21.09.2019. Three doyens of Madurai Orthopaedic society Dr. A. Subramaniyam, Prof. Dr. Devadoss & Dr. R. Venkadakrishnan adorned the inauguration.

I express thanks and heartfelt appreciation to our President, my fellow office bearers, Editors, EC Members, zonal club office bearers of the association and all Honourable members for making these triumphant achievements possible.

Dr. A. Francis Roy

Self-Introduction of EC Members

Secretary Report:

Dr. P.T. Saravanan, Secretary informed the EC about we are celebrating Golden Jubilee Year of TNOA this year. And remembered TNOA was inaugurated on 23.12.1970 by Prof. Robert Roaf, then Professor of Orthopaedic Surgery, University of Liverpool. Prof. M. Natarajan, First President. Prof. P.V.A. Mohandass, First Secretary cum Treasurer.

Secretary introduced the calendar of events for the year 2020-21 and New Letterhead of TNOA and EC approved the same. Secretary requested the EC members to visit the TNOA office building at Vadapalani, Chennai. Renewal of registration of TNOA under society act is pending and the work is already assigned to Dr. V. Thirunarayanan. Our website need to be revamped and the existing window based server to be changed. Secretary proposed the name of our mobile app admin Dr Terrence to take care of website also. EC approved Dr Terrence as Co-admin for our website.

Regarding the TNOA journals, we have Journal of Orthopaedics and Joint Surgery & Tamilnadu Orthopaedic journal and also have TNOA Video Journal. Our editors are working hard to make our journals indexed at the earliest. Dr Francis Roy reminded we have to talk to Dr Ashok Shyam regarding status of the work on Indexation of TOJ. Dr. Rex wants the name a Tamilnadu in our journals. TNOA NEWS – Official News letter of TNOA will be released only as E-edition. Dr Francis Roy said we have to

print few copies for our records and send to IOA & OASIS office.

As of now we have 23 TNOA Affiliated City / District Chapters of TNOA. Expecting New Chapters will be inaugurated soon at Kallakkurichi (East Zone) and Chengalpattu (North Zone) in 2020. Dr Natarajan said they have registered Cholamandalam Ortho Society under TN Societies Act and explained about the benefits of this registration. Conversion of club into society will facilitate proper auditing, fund management and easy to organize CME / Conference. EC decided to send request letter from state office to our zonal club secretaries to change the club name into society and get registered.

Secretary reminded EC about we have the collective responsibility to retain the IOAAK Gupta Trophy for best state chapter, Bone & Joint Day Award and OASIS Best Chapter Award.

CONDUCT OF MEETING: Guidelines to conduct meetings under the aegis of TNOA (CME Organisers & Zonal Clubs): The Invitation / Backdrop must compulsorily have the logos of IOA / OASIS / TNOA / TNOA-50, IOA President and TNOA Presidents name and theme of the year should be prominently displayed. For CME CREDIT POINTS from TNMC, Program Invitation to be sent with programme brochures and speaker's details should be routed through TNOA EC Member of respective zone to be uploaded 3 weeks before the meeting. Attendance of the delegates in MS Excel should be uploaded to Tamilnadu Medical Council within 48 hours, after the completion of the programme, to receive the CME credit points. Joint Secretary is the coordinator.

Report of Organizing Secretary TNOACON 2021: Dr. G. Mukesh Mohan

54th annual conference of TNOA is going to be held in the month of February 2021, 12th to 14th at Trichy. We thank the office bearers of TNOA and all the members for giving us an opportunity to conduct our prestigious conference. After a gap of 20 years, we are much delighted to host you for a wonderful academic and gastronomic feast. We, for sure believe that this event will be a memorable one. The Team: Organizing Chairman – Dr. P. Madhivanan, Organizing Secretary – Dr. G. Mukesh Mohan, Scientific committee Chairman – Dr. S. Jaikish. Theme: Simplifying Complexities. Trichy is well connected to all parts of the country by Rail, road and Air and is reachable from all the corners of the state within 5 hours. It is surrounded by exotic artful Temples and palaces which will be a visual delight for the art lovers.

Change of Venue for TNOACON 2021: Inspection & Approval by EC

The Executive Committee of TNOA inspected the new venue KALAIRANGAM (Main Venue) in the heart of Trichy and the adjacent Hotel Breeze Residency (For Food Court) as combined venue. The organizing team explained about their proposed plan – Scientific halls, Registration Area, Trade Zone, Spouse/Kids Zone, Catering arrangements. For parking, they are planning to use nearby school ground and proposed to arrange regular shuttle transport service between venue and parking area. EC also visited the proposed venue for banquet dinner at Morais City, outskirts of Trichy near airport. After thorough inspection and discussion, EC unanimously approved these venues for forthcoming TNOACON 2021 Trichy.

Any Other Matters:

- To update the address, Mobile numbers and Mail id's. Our Joint Secretary Dr CJ Ravi will coordinate.
- Dr Antony Vimalraj proposed to create a telegram group for TNOA.
- Received proposal from Midwest Ortho Club to organize TNOA Medico legal seminar 2020, also received a proposal to conduct Research Methodology workshop at Salem at Govt Mohan Kumaramangalam Medical College, Salem. EC approved both the proposals and requested all zones to conduct Research Methodology program.

WELCOME ADDRESS:

Dr. S. G. Thirumalaisamy, President called the meeting to order and welcomed all the office bearers of TNOA and Co-opted Members. TNOA President's Theme for the year 2020: "Safe Surgery Saves Lives". President expressed he is very happy to see everyone in 1st EC Meeting through computer Screen. The plan of action and contribution to TNOA should not get altered due to lockdown. We should continue our programmes as per schedule and make TNOA to be number one Association in INDIA. He said the agenda for this meeting & calendar of events for the year 2020-21 is well planned by the Secretary.

OBITUARY REFERENCE:

Dr Lakshmi Narayana Reddy (Nellore) expired due to COVID on 13.04.2020 in Chennai. TNOA helped the Family to get Discharge Summary & Death Certificate from Chennai. Dr. C. J. Ravi remembered Dr L.N. Reddy is his immediate senior in JSS Medical College, did MS Ortho from 1997 to 2000, he is a nice soft spoken person, Dr P.T.S helped a lot in getting & sending Dr Death certificate and cremation certificate. Presidents said though Dr L.N. Reddy is not a member of TNOA, let us stand up and observe silence for one minute as a mark of respect to the departed soul. EC paid tribute to the departed soul.

PRESIDENT'S PROPOSALS:

Safe Surgery Saves Lives: President proposed academic programs; focus on prevention and treatment of complications, case based discussions on difficult situations and the ways to deal worst complications by experts and to encourage rural and urban orthopaedicians in publishing their work. Operating theatre staffs to be trained with safe surgery techniques. He has proposed to issue Guidelines from TNOA for orthopaedic practice during COVID 19 pandemic.

TNOA Professional Indemnity Scheme: in association with New India Assurance Company with discounted premium. President will send the brochure and all EC member are requested to check the details and enroll themselves in the scheme. Dr Roy advised everyone to join in our Indemnity Scheme. TNOA also receive some honorarium from the insurance company. Dr PT Saravanan asked about Minimum number of member to join, President said we need minimum of 200 Members, scheme is active and already two members enrolled.

TNOA COVID 19 fund: so far we have received donations from members for about Rs 1.65 Lakhs. We are planning to distribute PPE Kits to our members in Government Service at COVID hotspots and to IOA TRASDI Fund. Secretary said IOA also going to contribute about 1300 N95 Masks and Face Shields to TNOA Members.

Membership drive: Our target of 200 new members will be achieved with the help of Local club's President and Secretaries. About 120 life / associate members already enrolled from November 2019. Secretary said we need about 70-80 more Peoples to be joined as members before October 2020 to get AK Gupta Trophy. Dr Roy said our target should be around 20 Members in Bigger zone and 10 Members in District clubs. To identify non members Local club members list to compare with TNOA District list. Dr CJ Ravi will coordinate this and collect data. Instead of Sending the TNOA members list zone data to local clubs, It's better to get the members list from local clubs and cross check with TNOA list in our office.

President said HOD's of Medical College's can help in enrolling more new members and encourage those who have recently finished their post graduation. Dr. Thirunarayanan suggested circulating this Message in Ortho HOD's Whatsapp group. President asked secretary to Contact Dr VR Ganesan from Madurai to put message in HOD Group. Dr PT Saravanan said Associate member should be encouraged to become life member once they passed the degree. Dr. Mohanasundaram said Whatsapp number in local clubs will be more ideal to check non members. Dr Francis roy suggested to Make membership application and payment through online – Mobile App / website and Genuinely of the certificate has to be verified. Dr Terrence is ready to take the job and we can go for trial with 5 members after verification of certificates. TNOA Mobile App's online payment gateway is under the process & he needs PAN and Aadhaar details of treasurer for starting the online payment process. Dr Roy said a responsible person from EC should be the in charge of membership drive, suggested Dr Shyam to take up the responsibility. Treasurer would give the PAN card for making the online payment done. Dr PT Saravanan reminded about new exclusive account for membership fee as discussed in last EC Meeting. President ruled no separate account for membership at present. FOR LIFE MEMBERSHIP: TNOA + IOA = Fee Rs 10,000 with Degree Certificate and Medical council registration Certificate. The registration can be verified with tamilnadu medical council website. FOR ASSOCIATE MEMBERSHIP: Fee Rs 9000+ MBBS Certificate + Bonafide Certificate from PG Institute.

Bone & Joint Day: President said plenty of opportunities to do free surgeries during this COVID situation. Start picking the patient right now for free surgery from k wiring to replacement. Aim for 300 Surgeries for this year. Dr Roy said three important things for AK GUPTA Trophy: Membership drive, Programs based on Presidents theme and Bone & Joint day activities. Free Implants in GH also considered as free surgery, Waiving of surgeon and Anesthetist fees also considered as free surgery in private hospitals. Load the format for free surgery in website.

TNOA Antibiotic Awareness Week: President said Antibiotic usage guidance should be formed by TNOA, Preferably before antibiotic awareness week in November, Formulate antibiotic policy for our orthopaedic hospitals.

STANDARD TREATMENT PROTOCOLS: Dr Manivannun asked can we have a surgical registry for TNOA. National registry was started 10 years back but it was stopped. President said we can try TNOA registry for JOINT REPLACEMENT alone as Trial & Joint companies can collect the data. Dr Roy suggested Dr Vanasekar & Dr Antony vimal raj can work on the TNOA Registry and Dr Rex can get the format ready. Dr Rex conveyed already its done by Indian Arthroplasty Society. Dr. Manivannun suggested TNOA should recognize the person who is giving the registry information. Dr. Thirunarayanan said the data given to TNOA from any hospital belongs to the individual hospital.

TNOACON MEDAL PAPER SESSION: President advised Scientific committee should select the judges well in advance before the conference. Dr. Thirunarayanan said Medal papers should be unbiased and Judges should asses the paper individually and not by discussion. Secretary said it's difficult for joint secretary to coordinate when medal sessions are conducted simultaneously in three halls. Dr Roy suggested one more member preferably fellowship secretary can accompany joint secretary to conduct Medal paper session

EDITOR'S REPORT: Dr. A. Saravanan & Dr. V. Thirunarayanan

Dr Saravanan said he has not yet received Medal papers from the scientific committee of TNOACON Vellore to get published in TOJ. For medal paper in TNOACON 2020 clinical photographs and follow up X-ray should be submitted. Authorization letter from the authors needed to publish their articles in TNOA journal. President advised Medal paper format should be corrected and revised as per latest norms by Dr. Thirunarayanan.

Dr. Thirunarayanan said the Journal of Orthopaedics and Joint Surgery will be released biannual, Jan to June and July to December - two issues per year. First edition of JOJS released during inaugural function of TNOACON 2020 Vellore. The articles are also available online in the official website of our journal www.jojs.in. For printing first issue Rs 2.5 Lakhs to be paid to Jaypee Publishers. Required minimum of 30-40 Articles for going to get indexed. We request everyone to provide Articles for Journal. Already the application for RNI (Registration of Newspapers India) and eISSN number have been submitted and under process. The present situation due to Covid 19 has delayed the distribution of journals to our members and the processing for the registration in RNI and ISSN board.

VIDEO JOURNAL REPORT: Dr. K. Meenakshi Sundaram

TNOA Video Journal is growing huge since it has received hundreds of Video Journals in recent days. About 40 more Videos will be uploaded by this Month in our TNOA Video Journal Website. Our Video journal is secured and made to access exclusively for TNOA members and the fellow members can log with their details of LM No. Dr. Meenakshi Sundaram thanked Dr N. Jithendran who has contributed 65 video articles to TNOAVJ and requested EC members to send surgical videos for the Journal. It's time for renewal of our server and domain name also. Service provider is quoting discounted rate of Rs 87,000 for two years. President said we can go for two years subscription TNOA will pay for it, we can try to get sponsors also. VJ editor suggested TNOACON Lectures and Live Surgeries can be uploaded in Video Journal.

FELLOWSHIP SECRETARY'S REPORT: Dr. Nalli Gopinath

Thirty fellows selected for TNOA observership program 2019-20 and all of them successfully completed. TNOA Inland travelling fellows: Dr. Neelakannan R (Athur), Dr. M. Sathish (Karur) & Dr. Balakrishnan A (Vellore) completed their fellowship program at Ganga Hospital, Coimbatore. Regarding TNOA foreign fellowships, selected candidates Dr Franklin Kiruba and Dr. Bharathi Selvan has to complete their fellowship program before call for next fellowship applicant. We can convert foreign fellowship into inland fellowship due to CORONA Crisis for at least one year. Dr. Ranjitham TP (Madurai) is selected for TNOADr. K. R. Venkateshwar PG Travelling Fellowship 2020.

Dr. Thirunarayanan said regarding Re-registration of TNOA under Societies act, it's almost crossed 80%, will be getting it done after COVID Crisis.

There is a discussion on corpus fund from the proposers of newly created TNOA Mid Year CME oration. President said it's a honour to name a legend for the oration and there is no mention about corpus fund in our bylaw. President ruled it will not be applicable in this case.

Meeting concluded with vote of thanks delivered by Dr P T Saravanan, Secretary, TNOA.

Minutes of Zonal Committee Meeting of TNOA held on 03.05.2020 through Video Conference (ZOOM Cloud HD Video Meeting ID 894-5192-742)

Attended by Members of TNOA Executive Committee and Office Bearers of TNOA affiliated City / District Clubs through Zoom Video Meeting.

WELCOME ADDRESS: Dr S G Thirumalaisamy, President

President welcomed all zonal committee members to the meeting. We had EC Meeting in the morning, everyone contributed a lot. We are all aware that the present situation COVID pandemic, everyone is suffering – citizens / doctors. We may find ways to start our safe practice and help the public. This meeting is focused to discuss TNOA Matters and achieve our goals for the year. We have to work together to retain the IOAAK Gupta trophy.

PRESIDENT'S PROPOSALS:

“Safe Surgery Saves Lives”. It's our theme for the year 2020. Safe surgery also saves our lives too. We have to make sure all personal protective equipments before a procedure, even though the virus is not lethal but highly contagious. Death rate due to covid in India is 0.9% as per John Hopkins University data which is very low compared to other countries. We are not sure about the authenticity of the data. We should be very careful to prevent infection to our surgical team / hospital staff. Everyone's life is important, should not take things lightly protect ourselves our staffs and our patients. Nobody should get infection from the hospital. All safe surgical practice guidelines are already being circulated widely; we can formulate our own protocols.

TNOA Professional Indemnity Scheme: in association with New India Assurance Company with discounted premium. Request everyone to join the scheme and also help the association. TNOA will get a small honorarium. For the benefit of our members, kindly display the brochure and keep enrolment forms in your zonal club meetings.

TNOA COVID 19 fund: so far we have received donations from members for about Rs 1.65 Lakhs. Kindly contribute generously to this fund. We are planning to distribute good quality PPE Kits to our frontline covid warriors Ortho PG's, CRRI's and Doctors in Government Hospitals at COVID hotspots and to IOA TRASDI Fund. Individual / Club activities on WELFARE PROGRAMS ON COVID should be documented and communicate with TNOA Office.

Membership drive: Our target of 200 new members for the year will be achieved with your help and it's important for AK Gupta Trophy. Five to Ten New members from each zonal club will achieve our goal. I Congratulate and thank Tiruvannamalai Ortho Club for the assurance of enrolling Ten New Members.

Bone & Joint Day: Last year we did excellent bone and joint day activities, so many clubs did very well, we have to continue to do that. We have not yet received the communication regarding BJD 2020 theme and guidelines from IOA due to covid. Number of FREE SURGERIES done last year was 134. Everyone is doing service to the community but failed to document the same. Kindly do more free surgeries this year and document it in TNOA Prescribed format and send it to the secretary. Our aim should be more number of BJD free surgeries than any other state during this year.

TNOA Antibiotic Awareness Week: President said this is going to be conducted in November 11th – 17th along with WHO Program. We need to contribute to our association's strong recommendation of judicious use of antibiotics. This will reduce antibiotic resistance and help our patients and society. Let us have a strong antibiotic policy, formulate guidelines based on our TNOA Study and publish it in indexed journal.

திருநெல்வேலி, மார்ச் 13-
வீரவநல்லூர் அருகே அடிபட்டு நகர முடியாமல் கிடந்த மலைப்பாம்புக்கு தனியார் ஆஸ்பத்திரியில் மாவுக்கட்டு போடப்பட்டு வனத்துறையினரிடம் ஒப்படைக்கப்பட்டுள்ளது.

வீரவநல்லூர் போலீஸ் ஸ்டேஷன் அருகே ஒரு வயது 4.5 அடி நீளமுள்ள மலைப்பாம்பு ஒன்று நகர்ந்து செல்ல முடியாமல் கிடந்தது. இதைப் பார்த்த ஸ்டேஷன் இன்ஸ்பெக்டர் சாம்சன், மலைப்பாம்பை பிடித்து பார்த்தார். அப்போது அதற்கு எழும்பு முறிவு ஏற்பட்டிருப்பது தெரியவந்தது. தொடர்ந்து அவர் அந்த மலைப்பாம்பை பாளை., அண்ணைவேளங்கன்னி ஆஸ்பத்திரிக்கு கொண்டு வந்தார். மலைப்பாம்பை பரிசோதித்த டாக்டர் பிரான்சிஸ் ராய், எழும்பு முறிவுக்கு மாவுக்கட்டுப் போட்டார். அதன்பிறகு அந்த பாம்பு வனத்துறையினரிடம் ஒப்படைக்கப்பட்டது. அந்த வழியாக சென்ற ஏதாவது ஒரு வாகனங்களில்

மலைப்பாம்பு அடிபட்டு நகர முடியாமல் இருந்திருக்கலாம். தற்போது மாவுக்கட்டு போடப்பட்டுள்ளதால், விரைவில் எழும்புகள் இணைந்துவிடும் என தெரிவிக்கப்பட்டது.

கடந்த சில மாதங்களுக்கு முன்பு வீரவநல்லூர் இன்ஸ்பெக்டர் சாம்சன் பாம்பு ஒன்றை

வாகனமாக பிடித்து தோளில் கமந்தபடி சென்ற வீடியோ வைரலானது. தற்போது ஸ்டேஷன் அருகில் நகர முடியாமல் இருந்த பாம்பை மீட்டு வனத்துறையினரிடம் ஒப்படைத்துள்ளார். பாம்புகளின் மீதான இவரின் பாசத்தை விலங்குகள் ஆர்வர்கள் பாராட்டுகின்றனர்.

EDITOR INDEXING REPORT

Honourable members

As the editor of our new journal (JOJS) the Journal of Orthopedics and Joint Surgery I take immense pleasure in announcing the release of the first edition during the TNOACON 19 held at Vellore. The table of contents included 9 articles along with the editorial and messages from TNOA President and TNOA Secretary. One article from the United States of America and one from our national capital has been published. Mentioned below.

The articles are also available online in the official website of our journal www.jojs.in. All the articles can be downloaded for free from the website. The reputed publisher of our country Jaypee Publishers is our publishing partner and maintains the website. Their meticulous processing and rich experience in this field has definitely been very useful to add value to our journal. All prerequisites like website maintenance, online submission, double-blind peer review, online first, URL for each article, Plagiarism check etc are all being strictly adhered to.

The second edition is also nearing its completion and manuscripts are in the final phase of processing before they get published. Three articles have already online in our website. Seven more will be online first before all of them get published in the printed format. MCI has given certain revised guidelines about the indexing agencies. All the guidelines are being followed and indexing agencies will be approached when we reach the required number of articles stipulated.

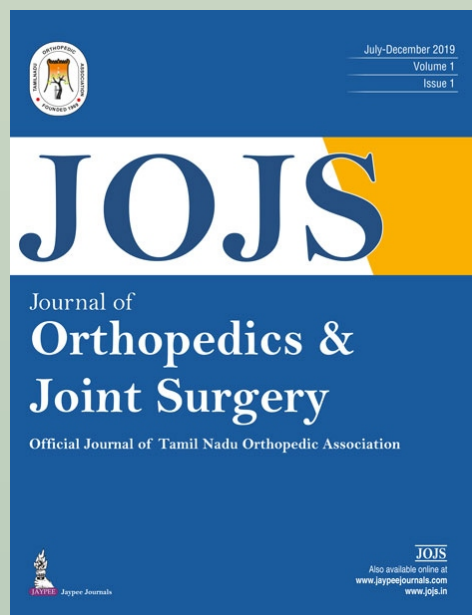

Hence I request all our esteemed members to submit more and more manuscripts to our JOJS journal in the website www.jojs.in to enable the TNOA to achieve its goal of having an indexed journal. Already the application for RNI (Registration of Newspapers India) and eISSN number have been submitted and under process. The present situation due to Covid 19 has delayed the distribution of journals to our members and the processing for the registration in RNI and ISSN board. With the guidance of our strong Editorial and Advisory board the TNOA should be hopeful to get our journal indexed even though the recent MCI guidelines has made the indexing process more difficult.

Thanking you

Yours sincerely

Prof. Dr. V. Thirunarayanan

TNOA Video Journal: Growing and Competing with International Video Journals

TNOA Video Journal is growing huge since it has received hundreds of Video Journals in recent days. It is such a complete form of orthopedic procedural video learning environment that let researchers deliver their work in a broader way using the advanced web technologies, the impact of their research is greater than before. So, they gain best ever appreciation and expertise among their research communities. These also lead the way to other researchers to accomplish accuracy and optimized results in their effort.

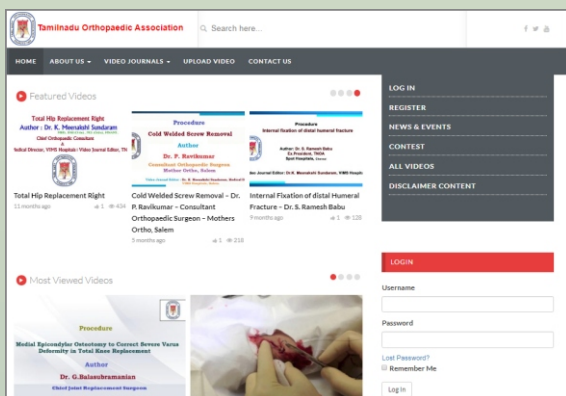

Dr. K. Meenakshi Sundaram,
Video Journal Editor, TNOA

There are same kinds of procedures published by different authors of orthopedics in our web portal. So a learner can view a specific video journal keenly multiple times and attempt his procedures with error free outcome. Thus, these surgical videos improve efficiency in objective learning and research investigations globally.

This Video journal is secured and made to access exclusively for TNOA members and the fellow members can log with their details of LM No. We have assigned a website admin executive for this portal who can assist our TNOA members regarding with log in procedures, uploading video journals, providing editing support etc., TNOA members can contact direct through phone or Whats app with the below given phone number for assistance to access the Video journal web portal.

TNOA video journals is one of the most familiar publishers of orthopedic video journals incorporated with broader range of orthopedic surgical procedure titles. We have been constantly improving our quality hence we have attained leading ranks with Google search engine for the key words which we use normally to search for an orthopedic video journal.

User Friendly Website Access provided for
Fellow Members to use TNOA Video

e TNOA- The future of tomorrow.

There goes an old say. "Friend in need is a friend indeed". The current say goes much beyond "Mobile indeed is the friend in need".

The mobile device and internet related websites have become the easiest portal making one's a proud digital and self dependent.

Our lives are facilitated by a myriad of adaptive applications for our day to day activities and have become an integral part of life.

No life is without mobile life, being chats, webinar's, online elections, news read, net banking and email to various correspondences in no time. After all life is nothing but time and quick.

The richness, updates, swiftness in connectivity, safety aspects, portability's and interactive experiences in the mobile apps and websites have created a bench mark for the end user and always kept inspiring the grand beneficial owners.

Considering the odds and tough ends of struggle in life (pandemic crisis) and hardship, Mobile app is the new digital hub to bridge the life existence and its physical world.

The biggest change that we see to believe has already started taking shape. Globally, the majority of internet usage will be done through a mobile device and for most of the people the mobile web will be the primary if not their only way of experiencing the richness of Internet and connecting lives

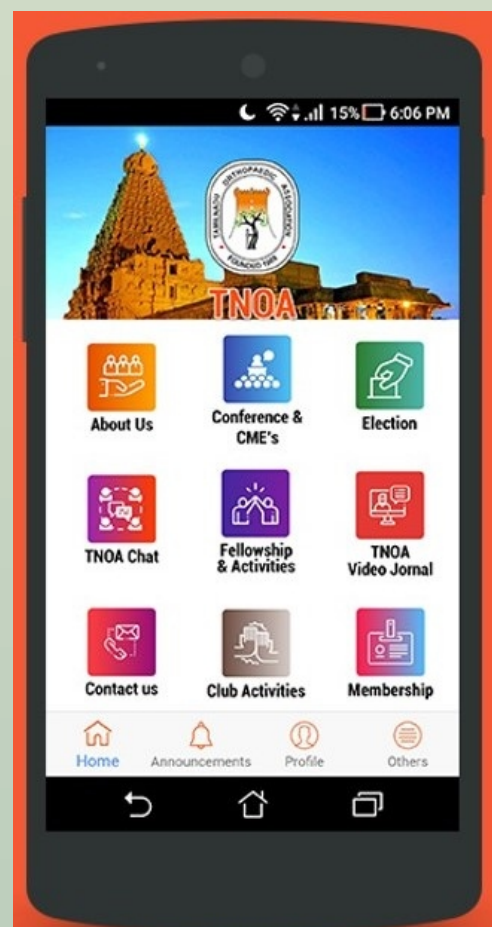

The future of mobile is the future of tomorrow
