## From the Desk of the President ....

Dear Honourable members,  
Greetings!

It's my privilege and pleasure to reach you through this newsletter after taking over as President of our esteemed association. At the outset, I would like to thank everyone of you for bestowing your confidence upon me and making me the President of this prestigious Association for the year 2021 – 22. As mentioned in my route map during the Annual GB 2021 at Yercaud, I have been trying to follow the good work of my predecessors in taking TNOA forward in all aspects.

My theme for this year is **“Focussed Clinical & Surgical Skills; Continuous Update”**. The First TNOA Postgraduate Crash Course was held on 9, 10, and 11 April 2021, at Madras Medical College. More than 200 exam-going postgraduates attended this course. Both online and offline clinical examination CMEs concentrating one region (like Hip Case Examination) will be conducted once in a month in various medical colleges and other teaching programs will continue.

The official journal of TNOA, JOJS (Journal of orthopaedics and joint surgery) indexation has been completed with Index Copernicus and JOJS will also get indexed in various platforms like Scopus, Pubmed etc. to help our members to publish their works.

Two new district ortho clubs Chengalpat Ortho Society and Pudhugai Ortho Society were inaugurated this year.

We are updating our members' addresses, phone numbers & email ids to facilitate e-communication and e-voting and trial online voting will be conducted this year to facilitate online elections of our association from next year as decided in GB.

I request our members to join the TNOA Professional Indemnity Insurance Scheme and make utilise the benefits of the scheme.

I request all our members to actively participate in the IOA's Bone and Joint Day activities and TNOA's bone health fortnight activities.

I request all senior members to encourage juniors to become members of our association. I also request everyone of you to involve yourself in the membership drive of TNOA and IOA.

On behalf of Tamil Nadu Orthopaedic Association, I would like to welcome all of you to the official CME of TNOA “TNOA Prof. T.K.S Midyear CME 2021” to be conducted by Nellai Ortho Club in July, 2021 and combined TNOACON2021 and OASISCON 2021 (OASISTNOACON 2021) organised by Midwest Ortho Society at Yercaud on September 10th – 12th, 2021. All TNOA Medal paper sessions will be there and I request all our members to present their works in large numbers.

I sincerely thank all the members especially office bearers and EC members for their support and encouragement during the various TNOA activities so far and so forth.

The Corona pandemic has played a spoilsport for all of us. Kindly follow all Covid precautions. I request you all to donate for TN CM Covid Fund through TNOA. Till now we have collected Rs. 3.5 lakhs and it will be handed over soon.

Be safe. Take Care.

Thank you once again.

**Dr. Antony Vimal Raj**

President,

Tamilnadu Orthopaedic Association

## From the Desk of the Secretary....

From the desk of Secretary....

Distinguished members,

Greetings from Kanchipuram. It gives me great hope and happiness in communicating with you through this newsletter at this challenging time. I wish and pray for safe health and well-being for all our families. The COVID pandemic has paralyzed us in executing significant activities, such as CME conferences and in-person meetings. Our major contributions and yearlong activities are rescheduled and redefined.

Thanks to the technology which efficiently enabled us to organize e-TNOA PG Teaching Programs, Digital Celebration of TNOA Golden Jubilee, Hybrid Annual General Body Meeting and Installation of new Team, Online CME Programs and many more. EC Meetings through Video Conference took TNOA to the next level with business as usual.

It's an incredible honor to share with you that our prime journal JOJS is indexed with "**Index Copernicus**". TNOA and I wish all the best and congratulate the editorial team for making it happen amidst hard struggles.

I take this opportunity to thank our honorable members for their generous donation to the TNOA Covid Fund. I am sure this contribution to the needs will mirror our social commitments and noble gesture to humankind.

Few glimpses of this year's events with our president are always cherishable, and a memoir which included "TNOA PG Crash Course" 9-11 April 2021 @ Chennai, Inaugural Functions of 24th District Chapter "Chengalpattu Orthopaedic Society" on 13.02.2021 at Chengalpattu and milestone 25th District Chapter "Pudugai Ortho Club" on 28.03.2021 at Pudukkottai.

As we are gearing up for the upcoming year's online elections, I kindly request all the members update their mobile number and email id.

At this juncture, I also request our members to benefit from the TNOA Professional Indemnity Scheme at a discounted premium with more coverage and enroll at the earliest.

I am kindly reminding the members about the "combined annual meeting of OASIS & TNOA" at Yercaud, Salem, in September 2021, which would be the first of its kind event.

I am looking forward to seeing you all soon at the 11th TNOA Prof TKS Mid-Year CME at Coutrallam in August 2021.

Warm Regards,

**Dr PT Saravanan**

Secretary, TNOA.

### **Minutes of the JOINT ACTION COMMITTEE MEETING on 01-12-2020 through virtual conference organized by IMA TNSB**

Subject: MYXOPATHY

1. On CCIM Notification dated 19.11.2020 on PG Ayurveda Education on MS Shalya Tantra and Shalakya Tantra.

2. National Educational Policy 2020 - Medical Pluralism and lateral entry – MIXOPATHY.

3. NITIAAYOG Committees for Integration of Health care system

TNOA was represented by Dr S G Thirumalaisamy, President & Dr P T Saravanan, Secretary.

Action Plan sent by IMA HQRS:

■ 08.12.2020 Demonstration in small groups of 20 at various locations following COVID protocols

■ 11.12.2020 withdrawal of Health care services except COVID and Emergency by all Health care facilities including clinics

**DECISION MADE:**

■ Curriculum of AYUSH in the Universities are mostly modern medicine oriented and committee recommended to represent to University to change the syllabus and should stick on to Ayush system of medicine

■ Represent to Government/ Tamil Nadu MGR Medical University not to train Ayush Doctor's and also to take for Examiner-ship.

■ Awareness to public through various social media – Focusing on the detrimental effects on the Health of the public and Public Health care system due to Myxopathy and purity of system must be maintained.

■ Common press release matter to be given by all Associations individually.

■ Common matter for Placards

TNGDA, AHPI, FOMA, IDA, Democratic TNGDA & Other Associations will have their committee meeting and spread the message & Action Plan to all the members.

President would like to see the executive committee member's opinion on the central government's new education system of practicing AYUSH doctors to do surgeries and implementation of mixopathy. Dr. Sekar suggested we can do signature campaign regarding the issue. President opined about participating in IMA strike is not going to solve the problem, our aim is to make people aware of the complications of mixopathy, we can write letters and send signature campaigns to the President of India and Prime Minister of India.

Dr. Mukesh said Instead of jumping into road blocks and strike, we can file a public interest litigation. President intervened and said Filing Litigation is a good point. This idea has been discussed in the past IMA meeting, they said what if the court says that its government decision we can't do anything legally. We can make a display in our clinics and hospitals about mixopathy, if IMA goes for a protest we will whole heartily support the protest on 8th December and absence from elective procedures on 11th December 2020. Secretary said we have to give prior intimation about this decision to all our zonal club's and societies and I will co- ordinate with Dr. C J Ravi about the awareness pamphlets in Tamil on behalf of TNOA with IMA & TNOA logos.

### **GOLDEN JUBILEE CELEBRATION OF TNOA**

Dr Antony Vimal Raj said since expenses for the ELECTONS are going about Rs Two Lakhs per year, better to go ahead with online election before the last GBM's timeline of 2023. Before that we have to update the membership data and more updated website, so we have to appoint a new EC Post for WEB Administration (nominated one) and he should be answerable to the executive committee. President said we can create this new post EC Member IT Wing with the approval of general body. Secretary said many of our associate members are completed their post-graduation and now going to apply for conversion of membership from AM to LM. Since they have already paid Rs 9,000 to TNOA as one-time entry fee, we have to pay IOA Rs 3,000 for this convention. Another issue is in 2018-19 few post graduates enrolled as TNOA members and paid Rs 7,100 (Life Membership Fee at that time - Rs 5000 IOA and Rs 2100 TNOA), their membership is accepted in IOA & TNOA as associate members and we have to accept them as life members once they submitted the degree certificate. Like to know whether we have to collect any additional amount during this process. Aware of this issue while going through our past email communications with IOA office in 2019 and not able find the membership application forms of particular group of associate members in our office file. Secretary also said increase in membership fee of Rs 10,000 for LM and Rs 9,000 for AM is came in to effect after 2019 general body meeting. Dr Manimaran then EC Member from West Zone 1 intervened with the permission of president and said I have enrolled about 35 members before the AK Gupta trophy nomination in 2018-19 as directed by then secretary Dr Francis Roy, seven post graduates mistakenly took DD for Rs 7,100 instead of lesser amount for AM. President ruled if we have received the application before the GBM 2019, we have to accept their membership conversion without any additional payment.

#### **EDITOR'S REPORT - DR. V. THIRUNARAYANAN**

JOJS Second edition has gone online already. Requested our honorable President Dr S. G. Thirumalaisamy to release the Printed edition during this meeting, after releasing the journal president

said "I am happy to release the second edition of JOJS printed journal, I congrats Dr. Thiru and colleagues for all the hard work done to make it happen, the article are excellent but we need more articles for next edition".

This 2nd edition contains Editorial, 5 original articles, 3 research articles one from Hong Kong, China, 4 case reports, Printing and processing cost 2.5 lakhs to be paid to Jaypee Publishers. Indexing prerequisites religiously followed RNI application submitted, eISSN no application submitted twice in New Delhi, ISSN board insists on institutional mail ids for editorial board members. Official mail ids created .....@tnortho.org but they have rejected citing the above reason, Submission now done in Panama with application cost of fifty dollars and its under process. Request members to contribute. GBM resolution of mandatory copyright of medal papers may solve the issue. Papers for third edition in process. Papers under review. Will release online edition shortly. and the printed edition will be released in the Mid- year CME or OASISCON.

**TNOA REGISTRATION PROCESS (renewal):** Application submitted, nearly 1000 pages, 19 years pending, Form 5, Form 6 year wise members list, Members form 7, Deceased form 7, EC form 7, Account statements, GB minutes and attendance, Reason for non-renewal, Live certificate. scrutiny of application- few corrections suggested, Resubmission after correction to be done tomorrow, Fees for renewal of Registration will be intimated shortly, Payment for Mr. Azizullah of Rs 25,000 done – second payment for Documentation and liaison, after payment of fine inspection of office will be done, very high level of influence done, will get it done for sure. Inspector General and AIG have been approached. After inspection report will go for final GO to Secretariat, under process and follow up. President and entire EC appreciated the commendable job done by Dr Thirunarayanan.

#### **VIDEO JOURNAL REPORT - DR. K. MEENAKSHI SUNDARAM**

TNOA Video Journal is a transnational, Editor-reviewed, Ortho Specialty based, open access video journal covering a comprehensive range of sub specialties from the Department of Orthopaedics. The journal is allocated with the entire sub specialties.

The Aim of TNOA Video Journal incorporates the publication of novel facts by publishing unique and Innovative investigation from all areas of Orthopaedics. The surgical videos from experts of orthopaedics are being published in the Video Journal Portal that offers a modern standard in Invasive Video Learning. To teach the orthopaedic skills, the authors record videos in HD format and narrate it clearly with their voice or by re-recording the voice. Starting from the procedure incision to closure, surgical videos will be recorded with a perspective view.

Our Video Journal is being watched regularly by Medical Students, Nurses, Post Graduates of Orthopaedics, Allied Health Professionals, Surgical Technologists and peoples from the community of medicine. We constitute 3rd to 5th place in Google Search world-wide when searching for best orthopaedic Video Journal for the piece of hard work from the Editorial side. A heartfelt thanks to the video journal authors who are the authentic reason for this success. The Successful second year increased the responsibilities to facilitate increased needs particularly from web and technical side. The barriers are being eliminated to transform to the next level of making this video journal as an Indexed Journal around International level.

During last EC Meeting we have discussed about making this as international journal and asked about expenses. We may have to spend approximately Rs Three Lakhs for this. President asked opinion of President Elect, he said we can think of this only after getting our regular TNOA Journal indexed. Dr Meenakshi asked for recognition of contributors to TNOA VJ with best video journal awards / medals from TNOA, after discussion president ruled we can place it in GBM and decide. Secretary enquired about any sponsorship in the form of advertisement. Dr Thiru suggested we can link this VJ with TNOA PG Teaching Programs YouTube channel which is already achieved the target for monetization benefit.

From 2018-20, Amount spent at initial phase for TNOA VJ is Rs 2,23,888 – Past president Dr Muralidharan sponsored Rs One lakh and balance granted by TNOA. Second phase server renewal amount granted by TNOA is Rs 65,000. Maintenance of Video Journal website is taken care by myself with a salary of Rs 20,000 per month for the technical executive and Rs 15,000 for website renewal. Nearly 112 videos have been uploaded as of now to the portal, we have guided to some PG's to send videos for the journal. We again request all the orthopaedicians and our fellow members to submit their master piece of orthopaedics surgical procedures around the world to help young learners to get ready for cases learn about innovative advancements, and to have a profound and rich education practice. **Minutes of ANNUAL GENERAL BODY MEETING of the Members of Tamilnadu Orthopaedic Association held on February 07, 2021 through Video Conference from Lions Convention Centre, Yercaud.(ZOOM Cloud HD Video Meeting ID:848 6565 2985)**

**WELCOME ADDRESS:**

Dr. S. G. Thirumalaisamy, President called the meeting to order after secretary adorning the Presidential collar to him. President welcomed all the members of TNOA present in person at the venue Lions Convention Centre, Yercaud and members attending online from various parts of the state and globe. Thanked all the members for electing him as President of TNOA during this corona Year. TNOA President's Theme for the year 2020: "Safe Surgery Saves Lives". Due to COVID Pandemic we are not able to function as usual and happy to share we have many achievements and academic programs to be presented in secretary's report. We have grown to more than two thousand members (2069) and with the guidance of past presidents and support of members hope we will retain the AK Gupta trophy for Best State Chapter of IOA this year also. We have met our legends though online at Golden Jubilee Meet excellently organized by Dr Raja Ravi Varma and our secretary. Many of our members and past presidents appreciated. Virtual TNOA PG Teaching Program was great success with the efforts of our academic committee. We have generated money to the association through our new TNOA Professional Indemnity scheme, about Rs 18,000 with enrollment of 20+ members. If we can enroll about 50% of members, the association will benefit with about 10-15 lakh per year. Request everyone to take up the scheme and office bearers to promote as we are running short of funds, extra expenditure for revamped website and journal indexing work. President thanked secretary PT Saravanan, the backbone and President Elect Dr Antony, Vice President Dr Vanasekar, entire EC for the cooperation and Past Presidents; Prof Devadoss, Dr Rajasekaran, Dr Mayil Vahanan, Dr Govardhan and others for the guidance in conduct of TNOA affairs during this difficult year.

- Dr. J. STANLEY MICHAEL, TNOA Life Membership No: LM/S/321, Orthopaedic Surgeon and Joint Director (CST) of Tamilnadu State AIDS Control Society. Expired due to RTA on 30.01.2021

Dr R Selvaraj remembered Prof Rajagopal; emeritus Professor with sound clinical knowledge, soft spoken, very good administrator and instrumental in starting paraplegia ward in MMC, very good teacher and examiner. Secretary remembered he is our founder member and seen his signature in TNOA inaugural document. President asked the members those present online can raise the hand button if they want to speak and can convey message in chat box also. Dr Vanasekar remembered our Past President Dr V Shanmugam; so kind enough to all his students and very friendly to our tnoa members, attends all our conferences and his demise is a great loss to the association. Dr Singaravadivelu remembered Dr V Shanmugam, he is my teacher and also worked as assistant in his unit, very helping and soft personality, used to visit his students whenever they give invitation till his last days, helped many of his post graduates during examination and also get postings after they passed out. Dr Nalli Uvaraj said he has raised to a great position in his life from a small village near panruti. Dr Natarajan remembered Dr Shanmugam as his teacher and examiner hails from a village near panruti, very soft spoken gentleman, helped many poor patients in around panruti, served during covid times, treated covid patients and timely shifted many to Raja Muthiah Medical College for advanced care. Before his demise he called me and refereed a spine case, during his last days worked as HOD in Venkateswara Medical College and rendered yeomen service to the society. We had an opportunity to honour him with special achievement award at last TNOA Midyear CME at Chidambaram.

Dr Francis Roy remembered Dr Anoop Krishna as a Post graduate of Tirunelveli Medical College, attends Nellai Ortho Club Meetings. Very fast learner and good orthopaedic surgeon. He is a victim of violence against medical professionals especially the social media (suicide) and should not

happen to any of our colleagues in future. President said we have similar kind of problems in TN also and if anyone faces this type of incidents, please contact our office bearers and IMA, our medico legal cell and past presidents are ready to help and sort out the issues. Secretary reminded about Dr Singaravadivelu suggested to form a crisis management committee and Dr Francisroy also talked about this.

Dr Nalli Uvaraj remembered Dr Stanley Michael, worked in his SPINE UNIT during difficult time, sincere person, regularly take ward rounds, went to DPH side and his remarkable service in covid impressed the health minister and secretary, expected him to back to his spine unit unfortunately we lost him. Dr Thirunarayanan remembered Dr Stanley as his college senior, kind hearted person and extend help to everyone in need. He can go to any place to help our colleagues; without him we can't safely release our MOS Past President Dr Sudhir from UP. Dr A Saravanan also remembered the safe release of Dr Sudhir, Dr Stanley personally went to UP on his own and met the magistrate there and done all the formalities and came back only with Dr Sudhir. Dr Singaravadivelu also remembered the same incident Dr Stanley took this challenge even when his life is threatened, it's a great service to fellow orthopaedic surgeon.

President remembered Dr K Sundaravadhanam. He is his colleague at Madurai Medical College during Post graduation. Very friendly person and comfortable with everyone – PGs, Colleagues, Seniors, Professors. He made ward round lively. whenever Dr Sundaravadhanam attended COS Meetings the atmosphere is fantastic with his interactions. It's a huge loss and we miss him a lot. Very unfortunate to lost him due to covid. Dr Rex remembered, he is a senior orthopaedic surgeon, very jovial person attracts crowd, interact well with everyone, great teacher participates in scientific discussions and share his experiences which is very informative to Post graduates in COS Meetings.

Secretary informed the general body about the Government of Tamilnadu's solatium of Rs 25 Lakhs to the Deceased Private COVID Warriors Family, on behalf of Executive Committee, Secretary thanked IMA Tamilnadu for the untiring efforts to make this as a reality. Deceased COVID Warriors of TNOA: Dr V SRIRAM –Karur, Dr V SHANMUGAM – Chennai & Dr K SUNDARAVADHANAM – Coimbatore. With the help of EC Members, we have already approached the family members to apply for this solatium.

General body paid tribute and observed silence for one minute as a mark of respect to all the departed souls.

#### **ANNUAL REPORT 2020-21 - Dr. P. T. Saravanan, Secretary**

**CITY / DISTRICT CHAPTERS OF TNOA:** As of now we have 23 TNOA Affiliated City / District Chapters of TNOA. Almost all clubs are very active and conducting regular monthly clinical meetings and other academic and social activities. Requested our EC Members of particular zones to motivate the clubs to conduct regular programs and revive the following clubs; Karur, Vilupuram, Tiruvannamalai, Virudhunagar, Krishnagiri and Ramnad. Due to COVID Pandemic we are not able to inaugurate new district chapters during this year.

**TNOA MEDICO LEGAL CELL:** Co-ordinator: Dr C J Ravi - Joint Secretary & Members: Dr. Shyam, Dr. Mohanasundaram, Dr. Terrence Jose Jerome, Dr. Marimuthu and Dr. Narashimha Rao - Legal Consultant. Organised Medico-legal Session (90 minutes): Prudence in Jurisprudence @ TNOACON 2020. For the benefit of our members, we have started a new TNOA Professional Indemnity Scheme in association with New India Assurance Company with discounted premium. It's our Presidents New Project of the year 2020-21. So far, about 28 life members of TNOA enrolled in this scheme. We have received honorarium of Rs 17,520 (10% of the Premium minus GST) from the insurance company. President handed over this Cheque to our Treasurer Dr P Ponraj. If fifty percent of our members enrolled in this scheme our TNOA will receive about Rs Ten Lakh per year. President said If we have enrolled more than 1000 members we can dictate the company and get more benefits to our members and requested everyone to join this scheme to protect yourself and also help the association. Clarified members doubts about the ratio in this scheme.

#### RATIFICATIONS OF THE RESOLUTIONS OF EXECUTIVE COMMITTEE OF TNOA 2020-21

1. BUSINESS MEETINGS TO BE CONDUCTED ONLINE: Executive Committee Meetings, Zonal Committee Meeting and General Body Meeting to be conducted through video conference for the year 2020-21.
2. POSTPONE / CANCEL ALL PHYSICAL MEETINGS AND EVENTS: Due to COVID pandemic, all the physical meetings and programs in the calendar of events for the year 2020-21 postponed / cancelled. TNOA Prof. T.K S Midyear CME, Medico Legal Seminar, Seminar & Workshop on Research Methodology.
3. ACADEMIC PROGRAMS TO BE CONDUCTED ONLINE: Zonal Clubs and Members Are Encouraged to conduct Online Monthly Meetings, CME programs and Webinars. TNOA PG Teaching Program started on a virtual platform.
4. FORGO FELLOWSHIPS AND POSTPONE AWARDS: Forgo both inland and foreign fellowships, PG Programs like Prof Ramakrishnan Medal, Cholamandalam Research Grant, Dr KR Venkateshwar fellowships and Postpone Awards like Prof. A. Devadoss Meritorious Award and Best Zonal Club Awards for the year 2020-21. Dr Selvaraj suggested to add the interest income of fellowship fund to the corpus. GB approved.
5. IMMEDIATE PAST TREASURER: Treasurer to continue in the Executive committee for one more year as Immediate Past Treasurer (ex-officio post) and facilitate filing of income tax return and approval of accounts and audits of his tenure in forthcoming Annual General Body Meeting.
6. TO CLOSE TNOA TRUST ACCOUNT: Since TNOA already received 80G exemption and not much transactions in our trust account, EC proposed to close the TNOA TRUST account and transfer the FD and balance amount to TNOA account.
7. TNOA WEBSITE TO BE REVAMPED and hosted by the same server and service provider of TNOA Video Journal and TNOA Mobile App.
8. TO GO AHEAD WITH ONLINE ELECTION FROM 2022: Since expenses for the ELECTIONS are going about Rs Two Lakhs per year, better to go ahead with online election before the last GBM's timeline of 2023. Dr R Selvaraj said we should be very careful in going ahead with online election, make sure to enroll all our members mobile number and email ids, we have to make sure its fool proof module and nobody should hack. He has also remembered the past experience of trial online election during Dr Raja Ravi Varma's period. Dr Antony Vimal Raj said we already have the data of about 1500 members email ids, only the rest can be updated with the help of office bearers after verification. Dr Francis Roy recollected the discussion of past GBM and said till 2023, we can have both online / physical ballot. Dr Selvaraj is for only online or physical voting and not in favour of both options in same election procedure. Dr M Chidambaram told online election is not easy, risk of malpractice also there, we have seen allegations in IOA Election, some of the

members went to court in this regard. He said better think twice and go by consensus. President said the scenario for IOA and TNOA are different and we will ensure thorough verification of eligible voters list with the help of TNOA and Zonal Club office bearers and we should go ahead with online election from next year 2022. Dr Raja Ravi Varma said Online elections is always a forwarded progressive step, but there are two things which we have to think about; 1. if there is any litigation, we have to spend lakhs for that 2. Existing email id can be taken, if there is any update or fresh id we have to check twice before approval. Dr Singaravadelu and Dr Mukesh Mohan suggested for face recognition / video recording during online voting. President advised the IT Wing to do the needful. Dr Francis Roy suggested to conduct this through our TNOA Mobile App. The general body decided to go ahead with online election from next year (2022), Online Trial and Physical ballot in 2021.

9. TO CREATE A NEW EC POST- IT WING SECRETARY: for Web Administration and Update of Membership Data to facilitate Online Election. It's a nominated post and eligibility is past EC Member of TNOA.

Dr Antony vimal Raj suggested to add management of TNOA Mobile App, WhatsApp Groups and Social Media.

Dr Vanasekar asked for the clarification regarding the IOACON 2018 contribution of Rs Fifty Lakhs by Dr R Muralidharan towards TNOA Building. Secretary said its maintained as separate FD and the interest income is utilized for the TNOA Office Maintenance and Office Secretary's Salary. Dr Vanasekar and Dr Francis Roy asked about the unutilized GAJA Relief fund of Rs Five lakhs from IOACON 2018. To be added to the building corpus. President asked Past Treasurer Dr Prabhakar Singh to clarify at the earliest. President raised a question about the balance contribution from the sponsors of Prof Sriram Medal for Paediatric Orthopaedics, we have received only Rs 1,90,000 out of Five lakhs. Dr Selvaraj suggested we can make it as a TNOA Medal till the assured contribution is received as other medal sponsors are fully contributed.

Dr V Thirunarayanan clarified that formal approval of GB is must for renewal of registration under society's act. The general body unanimously approved the same.

#### **EDITOR'S REPORT -Dr. A. Saravanan, Editor**

As of now, we have two official journals for TNOA. Old one – Tamilnadu Orthopaedic Journal (TNOJ) and New one - Journal of Orthopaedics and Joint Surgery (JOJS). Due to scarcity of articles TNOJ was not released in 2020, two issues of JOJS came out. We have to decide about to close one of the journal. President said TNOJ is with us for many years and the hard work of our past editors to be remembered. We can't run two journals; can we stop this Tamilnadu Orthopaedic Journal as JOJS is almost got indexed. Dr Francis Roy suggested we have to scan all the old editions and maintain as e.records and also keep physical copies in our office. President said we should upload all the editions in our website. General Body passed the resolution to stop publishing TNOJ and continue with JOJS.

Dr Francis Roy suggested to have only two editors – Journal Editor and Video Journal Editor once the indexing is over. Dr Thiru said indexing work is a continuous process, we need indexing editor. Secretary said our Indexing Editor Dr Thirunarayanan did two jobs, indexing work and also chief editor of JOJS. Here after our EDITOR should take care of JOJS and Indexing Editor will be exclusively for indexing related work. Dr Francis Roy asked for a clarification, whether the EDITOR posts (nominated) are part of EC and whether they can contest for Vice President. President said all our editors are doing lot of work, they are also our regular EC members and they are eligible to contest. The General Body

approved our Editors are eligible to contest for higher posts.

### **INDEXING EDITOR'S REPORT - Dr. V. Thirunarayanan**

I like to present the Journey of JOJS: The New official journal of TNOA - Journal of Orthopaedics and Joint Surgery - Started with Jaypee as Publishers with website [www.jojs.in](http://www.jojs.in) We have only online submission and Proper Double Blinded Peer Review, Indexing prerequisites religiously followed with Highly experienced editorial board members. Editions published: 3 editions till date, 1st edition 2019 July to December, 2nd edition 2020 Jan to June & 3rd edition 2020 July to December. 48 articles submitted so far, 33 published and 3 rejected. Others under review process for next edition. ISSN NO is essential for any journal and it's an important step for indexing the journal. Very difficult for a new journal, but we are successful and just two days back got ISSN NO: 2582-7863 for online version. Indexing information: Html format recently enabled. Cross reference and Google scholar enabled. Other affiliations: Our RNI application final scrutiny over 2 months ago, its equivalent to print ISSN, will take a month to get the RNI/p. ISSN no. Future course: Apply for index Copernicus as first step, fast track processing in 3 weeks can be done after ISSN no allotment, other minor indexing will follow, DOAJ, SCOPUS, PUBMED indexing is a challenge for the next team, sure they will achieve. My sincere thanks to President TNOA, Secretary TNOA, Past president of TNOA - DR. R. Muralidharan & Dr. J Dheena Dhayalan, Hon'ble EC members, Editorial Board Members, Jaypee Publishers, All authors, Alembic pharma Mr. Ramesh and team & The honorable members of TNOA. The General body congratulated Dr Thirunarayanan for the wonderful work.

**Bylaw 17.12 Journal Indexing Fund:** To mobilize funds to meet the expenditure for Indexing TNOA Journal, the journal fund is increased. Rs.500/- would be collected from TNOACON-2018 for the next 5 years. It would be called 'Journal & Indexing fund'. As per the decision taken in our 5th EC Meeting, it should be modified as; Rs.750/- would be collected from TNOACON-2022 for the next 3 years. General body accepted this modification.

### **VIDEO JOURNAL REPORT - Dr. K. Meenakshi Sundaram**

TNOA video journal is an intellectual form of HD videos inclusive of all main specialties and sub specialties of orthopaedics. Researchers get to exhibit their exertion to the viewers by means of a live camera recording. Since TNOA video journals let researchers show evidence of their work in a more visual approach, the depth of their investigation will be enlarged. So, authors shall expand speedy appreciation and expertise among their community of Education. It also makes easy for other orthopaedic medical scholars to attain precision and optimization in their effort. If a particular learner observes a specific orthopaedic video journal more number of times, he can easily reproduce the procedures exactly what the author did with his video journal published, hence can able to get cent percent efficient results in their attempts. So these video journals enhance the output in systematic learning and Investigation among scholars, researchers and students around the globe. Nearly 124 Videos have been Uploaded as of now to the Portal. TNOA Video Journals is one of the leading publishers of orthopaedic surgical videos with customized access of video journals constituting 3rd to 5th place worldwide when searching for a Best Orthopaedic Video Journal in Google search engine.

The Aspire of TNOA Video Journal is to publish quality video journals with unique features and facts with a pioneering investigation from all areas of orthopaedics with a standard attractive view. TNOA Video Journal is being frequently watched by International Medical Students, Nurses, Post Graduates of Orthopaedics, Allied Health Professionals, Surgical Technicians and peoples from the world of General & Orthopaedic medicine. TNOA Video journal is the master piece of eminent work sculptured by the authors who have been providing the video journals continuously though they are much busy with their regular duty schedule. A sincere thanks to the video journal authors who are the prime reason for this success and achievements. We have been planning to upgrade our version of our website with new look and feel with Improved anti hacking features and enhanced security for the video journal server. To safeguard the web portal is an urgent need to carry out, since there is a tremendous advancement in hacking nowadays. We are also working towards to decrease the rendering time when playing the videos from our TNOA video journal. We put the same request to all the orthopaedic surgeons and our fellow members repeatedly to submit their master piece of orthopedics like surgical procedures, CME's, Workshops around the globe to help the learners to explore innovations and the practice of modern orthopaedic education and research.

To Enhance the Video Journal Website with Anti Hacking Features: It's Necessary to Upgrade the Video

Journal Portal. We have Developed this Portal with Required Security Features before Two years. But due to the Advancements in Hacking, Hackers trying to attack our Video Journal Server nearly 3 times. We have changed the Passwords too. Though we again receiving attacks from Foreign IP's. Upgradation Charges may cost us about Rs 42,000. Choice of Reducing the Server Cost is Upload videos in you tube (Free of cost). ADVANTAGES: We can Reduce Server Cost We Spent about Rs 50,000 /- year. We can get the Performance as the Same as YouTube. DIS-ADVANTAGES: We may lose the Google Ranking since the website access hits goes to YouTube. Whoever can download and use our Videos for their own Purpose Worldwide. TNOA then won't have Unique Set of Orthopaedic Videos.

About Indexing the Video Journal: As we have Discussed to Index the Journal, we may need to follow some fixed set of Documentations, Editorial Formalities, Proper Submission. A meeting has to be Conducted in the Presence of President, Vice President, President Elect, Secretary, and all the Editors. It would be best if the Office Bearers can also Participate to know their procedures to initiate the process of Indexing the Video Journal. Process of Indexing the Video

Journal: An Editorial Team Should Be Set up. Documentations should be maintained properly from receiving, Processing, Editing the Video Journal till to Publishing of Video Journal. Constant Number of Video Journals is must be Ready for the Consecutive Editions. If we failed to make the Journal Submission, we may need to Spend some amount to get Journals from some other Sources for the Processing Edition. Charges of Indexing the Journal: We are Processing to make our TNOA Video journal website as an Indexed Journal Website as discussed with our EC Member Dr. Thirunarayanan. As Dr. Thiru Informed, we may have to spend Rs 3,00,000/- per Year to Transform the Video Journal as an Indexed Journal. (In Words: Rupees Three Lakhs Approximately). The next Course of Action can be done as per the decision of Respected

President, President Elect, Vice President, Secretary, Treasurer and Distinguished EC Members.

First Phase of Expenses Incurred for TNOA Video Journal (For the Year 2018-2020): Total Amount Spent for TNOA-VJ at First Phase Rs 2,23,888/- (Two Lakhs Twenty-Three Thousand Eight Hundred and Eighty-Eight)

- Dr. R.Muralidharan, Past President, TNOA Sponsored – Rs 1,00,000/- (One Lakhs)

- Balance Amount Granted by TNOA for VJ Rs 1,23,000/- (One Lakhs Twenty-Three Thousand)

Second Phase of Server Renewal Expenses Incurred for TNOA Video Journal & Granted by TNOA for Rs 65,000/- (For the year 2019-2020), Maintenance Charges Sponsored by Dr. K. Meenakshi Sundaram for TNOA Video Journal (For the Year 2018 – 2020): Monthly Salary for the Technical Executive Rs 20,000 x 20 Months = Rs 4,00,000/- (Four Lakh Rupees) + Website and Server Renewal Expenses Rs 15,000/- (Fifteen Thousand Rupees)

We have Published All the 33 No of TNOA PG Teaching Programs to the TNOA Video Journal Website under the Menu "TNOA PG Teaching Program". Expecting Your Kind Support: I request President, President Elect, Vice President, Secretary, Past President and all the Fellowship EC Members to Send the Master piece of their Lectures, Procedures, CME'S, Surgery, Novel Techniques Etc., to our Video Journal portal. Compulsory Valid Hints for the Videos is must. Submission of Video Makes TNOA Still Familiar at International Level: Kindly Request All members to submit more videos. This Action could achieve our motto of teaching advanced Invasive techniques to young learners of orthopedics and Hence making them to perform the surgery procedures with finest attempts. Don't Worry about Editing We expect only your Raw Videos. Finest Editing with valid Hints could be done by the Technical Team with the help of Editorial Team Members of TNOA. We kindly request you to save our Phone Number 6384440093. This helps enabling the access web link to watch the video journals from your mobile in a single Click. Or else the link will look like a normal text and you cannot watch the video immediately by clicking the intimation message broadcasted through TNOA Video journal WhatsApp groups.

The meaning of life: My beloved mother Mrs Banumathy Kandasamy passed away on 11.01.2021. What I am now is all because of her constant support and encouragement throughout my orthopaedic practice and my life. I Wholeheartedly Express my Gratitude to our Past President Dr R Muralidharan who has initiated the process of video journal two years ago which is a reality now, Past President Dr J Dheenadayalan, Present President DrThirumalaisamy, Past Secretary Dr Francis roy, Present Secretary Dr. P. T. Saravanan, President Elect, Secretary, Vice President, Treasurer, Editors, Office Bearers, Executive Members for the all-time Support towards the TNOA Video Journal Website.

## **ROUTE MAP 2021-22: Dr. M. Antony Vimal Raj, President Elect**

**PRESIDENT'S THEME 2021-22: "Focussed Clinical & Surgical Skills; Continuous Update"**

To start annual "TNOA PG Clinical Course" as a part of TNOA to benefit our post-graduates exposing them to teachers/examiners both from inside our state and neighbouring states

- To be conducted annually in teaching institutions with more clinical materials.
  - Vision: To make this course the most sought-after PG Clinical Course in 5-10 years
  - Both online and offline clinical examination CMEs concentrating one area (like Hip Case Examination) will be conducted once in a month in various medical colleges
  - Promote Orthopaedic research & education, Encourage scientific presentations & publications
  - JOJS to get indexed in various platforms like Scopus, Pubmed etc. to help our members to publish their works
  - Increasing the TNOA & IOA Membership
  - To strengthen TNOA and District Ortho Clubs
  - By motivating our non-member orthopaedic surgeons in our state to become member of our esteemed association
  - **ONLINE ELECTION:** TNOA GB cut off - Online Elections from 2023, Target - Online Elections from 2022, Trial Online Election in 2021, Update the member's addresses, phone numbers & email ids to facilitate e-communication and e-voting, Details will be verified by core office bearers, Expenditure for trial online election – For GB Approval
  - To include Orthopaedics as a separate exam for MBBS students with the help and support of other state orthopaedic associations and IOA, To meet and represent to NMC members from our state, Know the difficulties to succeed but let me have a try
  - To increase the corpus fund for smooth functioning and maintenance of TNOA building in Chennai
  - To start Ortho club in every district, To attend district ortho clubs' monthly meetings as much as possible
  - To make plaques/boards (Wooden or Acrylic) with the names of the contributors for building fund in our office - 3 boards with Gold, Silver and Bronze colours. (Roughly Rs. 30,000 for 3 boards of 6x3 feet size)
  - To keep framed photos of all our Past Presidents and Past Secretaries in our office (Around Rs. 10,000/-), To make a Acrylic Board with Present Office Bearers & EC members names (with names to be inserted periodically) (Around Rs. 10,000/-)
  - To conduct 1st EC meeting after Valedictory Function on Day 3 of Annual Conference, So, Other EC meetings may be numbered as: 2nd EC meeting (Previous 1st EC meeting) in May & Venue as decided by the President, TNOA 3rd EC meeting – During Mid-Year CME 4th EC meeting - Place of Forthcoming TNOACON 5th EC meeting - Place of Subsequent year's TNOACON - to assess venue facilities well in advance, 6th EC meeting– On first day of Annual Conference. Secretary suggested to conduct the 1st EC Meeting on 3rd Sunday of February (a week after the conference) on VIRTUAL PLATFORM instead of Physical Meeting. GB approved these modifications in EC Meetings.
  - To constitute PG Teaching Committee: Dr. V. Thirunarayanan (Chennai) – Chairman & five Members. Also in charge of annual "TNOA PG Clinical Course"
  - To constitute 'Membership Drive Committee': Dr. G. Mohan (Chennai) – Chairman & Other members
  - Apart from TNOA Office bearers other Legal Committee members' 3 years' term has ended (2018 – 2021). Same members to continue for another term of 3 years
- PG Teaching Committee and Membership Drive Committee Chairmen to be included as Co-opted Members and may be invited to EC meetings as other Co-opted Members. Members asked for a clarification whether these committee chairman / members contest in election. President / secretary said since they are only coopted members and free to contest in election. Dr Sugavanam and Dr Vanasekar asked President Elect why he is asking for GB approval to appoint the committees. Dr Antony said he wants GB approval for 3-year term for these committees. GB Approved One Year Term for the Committee. I assure to carry forward our glorious association along the path laid down by our illustrious Past Presidents and to ensure that TNOA reaches much more heights and achieves even bigger laurels

## **ANY OTHER MATTER WITH THE PERMISSION OF THE CHAIR**

Received an email from President Elect Dr M Antony Vimal Raj, regarding the Election of the Officers and Members of the Executive Committee:

1. Those Who Occupied / Occupying Any Positions Including EC Member in Any Other State Associations will not be eligible to Contest Any Posts of TNOA Including EC Posts. (Applicable Prospectively)
2. Only Those Who Are Residing Within the Geographical Boundary of Tamil Nadu Are Eligible to Contest for The Posts of TNOA.
3. For EC Member Posts, Only Those Who Are Residing Within the Geographical Boundary of That Zone Are Eligible to Contest

Dr Rex / Dr Mohanasundaram / Dr Sugavanam opined that there should be cooling period of five years for those who moved to Tamilnadu after serving in other states. Dr CJ Ravi said it's an honor for us our member occupied a post in other state associations, regarding Pondicherry issue almost 75% of the POA members are from Tamilnadu and members of TNOA. Dr. Antony pointed out those who are residing in Tamilnadu and like to become office bearer of TNOA, should not become office bearer of South Indian States, definitely there will be a conflict of interest at OASIS Executive Committee. Dr Barathiselvan asked for a clarification about how to implement this rule. Secretary said we can ask for a self-declaration in the election nomination form and verify the address proof. Lot of deliberations on point number three, many members are moving between zones especially those who are in government service, It's very difficult to implement. The General body accepted the Proposal: 1&2 and declined the proposal no: 3

Another email from Dr. J. Terrence Jose Jerome, to move our TNOA mobile app to a new platform with all latest technologies. As the TNOA mobile app needs updates both in software and technology, e Quadriga has sent us a proposal on 5th Jan 2021. Since the past president TNOA, Dr Muralidharan has committed graciously to take care of the TNOA mobile app during this year (About Rs One Lakh), please allow us to move our TNOA mobile app to a new platform with all latest technologies included. Also, we may be required to update this app in the future at a regular interval depending upon the technological evolution which happens in any IT industry. GB allowed Mobile App Admin to proceed.

Regarding amendments in our bylaws, Dr Thirunarayanan recalled our bylaw was accepted by the department of registration in 2002 and we have few amendments registered during the renewal process. Further newer amendment should be intimated to the registrar in proper format and will be applicable only after their approval. We can have President / GB accepted modifications in the bylaws apart from amendments.

#### **VOTE OF THANKS - Dr. P. T. Saravanan, Secretary**

Secretary whole heartedly thanked our President 2020 Dr SG Thirumalaisamy, President 2021 Dr M Antony Vimal Raj, Office bearers of TNOA and District / City Chapters, Past Presidents and honorable members for the smooth conduct of this General Body Meeting. President Dr. Antony Vimal Raj asked for any suggestion to include members for our Membership

Drive Committee. Secretary Dr. P.T. Saravanan & Vice president Dr. V. Singaravadivelu said we can put the HOD's of various teaching institutions for this committee.

**TNOA ELECTION:** TNOA GB cut off - Online Elections from 2023, Target - Online Elections from 2022, Trial Online Election in 2021, Update the member's addresses, phone numbers & email ids to facilitate e-communication and e-voting, Details will be verified by core office bearers. District-wise Details will be sent. President suggested to all EC Members can take one-month time duration to Verify & Update details of Members in their Zone. Secretary suggested EC Members can give their update list before our next EC meeting. Dr. Bharathiselvan suggested to verify the members details using the data from Tamilnadu medical council. Vice president proposed EC Member has to certify the authentication of membership data of their zone after thorough verification. Dr. Sekar Kannan raised a question to president, new members are not attending the district & zonal club meetings, how can we certify individually? President replied solution for his question by dividing Thoothukudi and Thenkasi district from NOC for better attendance. Dr. Manimaran encouraged the dividing Thoothukudi and Thenkasi district and remembered the successful new club from Dharmapuri district. EC has passed a resolution of verification and update of membership data by our EC Members before 31st July. They also have to certify the final electoral list of their zone.

President Elect Dr. Vanasekar said he has decided to go ahead for this year election as usual by ballot paper that was decided in the GBM. Vice president Dr. V. Singaravadivelu suggested trial online election by IT Wing Secretary Dr. Terrence Jose with limited number of people. President Dr. Antony Vimal Raj explained to the EC that trial online election contain only a code like X, Y, Z and not mention any name. Vice president Dr. V. Singaravadivelu said trial election is a must because that will help the election officer for the future online elections. President Elect Dr. Vanasekar said that trial election must be like in IMA election model – SMS Based Method. IT Wing Secretary Dr. Terrence Jose explained the online election process and expenditure for the same - that will come nearly Rs. 80,000. President & Vice president wants office bearers meeting in our TNOA office regarding online election.

**Bylaws Update:** Hard Copy will be sent to all office bearers and Soft Copy for ready reference. Email Ids for Posts: President suggested Unique Email ID for Principal Office Bearers and should not use the personal Email ids for official communication. They should pass on the id and password to the successor. He has already created presidentoftnoa@gmail.com for TNOA President. Secretary suggested we can create our own email id using our website server like secretary@tnortho.org that will cost about Rs.200 per month. IT Wing Secretary Dr. Terrence Jose explained the privacy of our TNOA web domain, the payment for email id was recurring expenditure and we need GB approval for this. Secretary compared the monthly expenses of Gmail for above 15GB storage (Rs 130) with our web mail ID (Rs 200). EC approved purchasing new web ID for Secretary secretary@tnortho.org

### **INDEXING EDITOR'S REPORT - Dr. S. Makesh Ram**

Indexing is important parameter for any Research Journal to increase its visibility. Our JOJS is growing slowly, so far Two volumes released. I took over in Feb 7th 2021 in Yercaud. Dr. Thirunarayanan (past editor) has laid the platform- E ISSN, our publisher JAYPEE, New Delhi Applied for RNI (Registrar of newspaper of India)- expected in July 2021. Then we can apply for Print ISSN. Index Copernicus was applied on Feb 9th 2021 for the year 2019. Supposed to get in 30-35 days. We lost hope and finally a reminder mail send to the head office in Poland on April 8th 2021 and we succeeded on April 10th. Index Copernicus value for our JOJS is 56.80 Good for a new journal. Started a new mail id editortnoajjs@gmail.com recently. Indexing done in Feb 2021 for International Institute of Organized Research (I2OR). Need approval of EC to apply for DOAJ- its free, To apply for index Copernicus for 2020 and 2021. (cost for each year in Copernicus is Rs 30000/ year approximately, so total cost Rs 60000/ for two years). Already we have paid for 2019 for indexing. To apply for Scopus as per guidelines.

#### **REPORT ON 1ST TNOA PG CRASH COURSE 2021**

The 1 st TNOA Postgraduate Crash Course was held on 9, 10, and 11 April 2021, at Madras Medical College. The Organising Chairman Prof. N. Deen Muhammad Ismail and Organising secretary Prof. M. Antony Vimal Raj were instrumental in conducting this academic extravaganza, which was most welcome by the exam going postgraduates. Covid-19 pandemic posed a great challenge in educational activities in most teaching institutions and this course served to benefit those who were at loss with regards to coaching for Orthopaedic postgraduate practical examination. The total number of registrations was 220 including Postgraduates from Tamil Nadu, Kerala, Andhra Pradesh, and Karnataka. To comply with government norms for maintaining social distancing and to avoid exposure to patients the venue selected was the Physiology lecture hall in the Medical College Campus.

The 3 days' academic feast included 6 sessions covering all regional topics in clinical orthopaedics. 11 lectures in total by eminent faculties in respective fields including the stars peaker Prof. Mathew Varghese, from St. Stephen's Hospital, New Delhi, whose lecture captivated all those present in the hall. Another attractive feature of the event was the clinical case presentation by Postgraduates and live interaction with the audience and expert panelists which served to be a brainstorming one for all those who attended. A total of 20 case presentations took place, which included 4 hip long cases with a detailed discussion of clinical examination techniques. Other topics that were covered included spine, orthopaedic infection, non-union, nerve injury including brachial plexus injuries, short case discussion on elbow, shoulder, knee, and orthopaedic oncology. Ortho-Radiology, Orthopaedic Pathology, Orthotics; Prosthetics and Implants; Instruments were also covered with lectures.

Another important highlight was the painstaking effort of TNOA President Prof. M. Antony Vimal Raj to release an event booklet that will serve as a ready reckoner for all exam-going postgraduates. It was released by our Past President Prof. Dr. R. Sivakumar and the 1st copy was received by Prof. Dr. Mathew Varghese. The TNOA President Prof. M. Antony Vimal Raj also issued a copy of the official journal of TNOA, namely JOJS (Journal of orthopaedics and joint surgery) announcing that indexation for the same has been completed with Index Copernicus. All faculty who participated in the program were felicitated with a memento and certificate. The past presidents of TNOA who participated in the event were specially honoured by the current President Prof. M. Antony Vimal Raj. The office bearers of TNOA were also honoured with memento and certificate. Tamil Nadu State Medical Council had awarded 6 CME credit hours for the program through online registration of CME and the same was awarded to all participants who registered separately for the credit hours. Speakers were awarded 7 credit hours. Finally, the program concluded with felicitation of the organizing team including Organising Co-Secretaries Dr. S. Cheralathan, Dr. G. Nagarajan, Dr. T. Gopi, and the postgraduates from the Institute of Orthopaedics and Traumatology, Madras Medical College whose untiring efforts made the program a grand success. All exam-going PGs were given examination kits which was very well appreciated. All PGs were motivated to become members of TNOA and 12 PGs became new members of TNOA and IOA.

## CLINIC

- In the acute fracture setting, the mechanism of injury should be withheld, because high-energy injuries are often associated with more severe fractures and worse outcomes.
- Proximal extension in acute injuries is limited by pain.
- Swelling, tenderness, and wrist deformity are assessed.
- During surgery, after radial fixation of a distal radius fracture (DRF), the DRUJ must be tested for stability.
- Proximal rotation and DRUJ subluxation should be similar to the normal side.
- Crepitus, grinding, or clunking may indicate a malreduction or ligamentous injury and requires a careful re-evaluation of reduction and fixation.
- An unstable DRUJ may benefit from slightly increased radial diameter during ORIF. Overcorrection of the radial height indirectly shortens the lig. and tightens the interosseous membrane and the radioulnar ligaments.

சென்னை, பிப்24: முழங்கால் மூட்டு மாற்று அறுவைச் சிகிச்சையை அந் நவீன முறையில் மேற்கொண்டு மூன்று மணி நேரத்துக்குள் மூதாட்டி ஒருவரை நடக்க வைத்து மருத்துவர்கள் சாதனை படைத்துள்ளனர். தற்போது அப்பெண் நலமாக இருப்பதாகவும், அறுவைச் சிகிச்சை நடத்த அங்கே அவர் வீடு திரும்பியதாகவும் மருத்துவர்கள் தெரிவித்துள்ளனர்.

மகாராஷ்டிர மாநிலம், மும்பையைச் சேர்ந்தவர் கபாலட்சுமி (66), இவருக்கு முழங்காலில் கடுமையான வலி ஏற்பட்டு நடக்க முடியாமல் அவதிப்பட்டு வந்தார். கரோனா தொற்று காரணமாக, மருத்துவமனையில் சிகிச்சை பெறாமல் தவித்ததின் காரணமாக, குருத்தெலும்பு முறிவும் தேய்ந்து கடினமானதாக மாறியது. மேலும், மூட்டு எலும்புகளுக்கு இடைமில் கராவ் ஏற்பட்டது.

இதையடுத்து சென்னை அப்பல்லோ மருத்துவமனையில் அவர் அனுமதிக்கப்பட்டார். ரூபாட்சியில் அறுவைச் சிகிச்சை நிபுணர் மதன் திருவெங்கடா தலைமையிலான மருத்துவர்கள் அலுவலர் பரிசோதித்தபோது, விளந்து

குணமடையக்கூடிய, 'பாஸ்ட் ட்ராக்' முறை மீளான முழங்கால் மூட்டு மாற்று அறுவைச் சிகிச்சையை பெய் வேண்டிய அவசியத்தை உணர்ந்தனர். அதன்படி, அத்தகைய சிகிச்சையை வெற்றிகரமாக மேற்கொண்டு மூன்று மணி நேரத்தில் நோயாளியை நடக்க வைத்துள்ளனர்.

இதற்குத்து, அப்பல்லோ மருத்துவமனைகள் குழும நிர்வாக இயக்குநர் கனிதா ரெட்டி, கூறியதாவது:

நோயாளிகளுக்கு சிறப்பான மருத்துவ சேவைகளை அளிப்பதிலும், நவீன தொழில் நுட்ப வசதிகளை வழங்குவதிலும், அப்பல்லோ மருத்துவமனை முன்னோடியாக உள்ளது. அதன் தீர்மானத்தையே இத்தகைய சிகிச்சை அளிக்கப்பட்டுள்ளது. அப்பல்லோ ரூபாட்சியில் சிகிச்சை நிறுவனத்தில் மேம்பட்ட அந் நவீன நுட்பத்திலான அறுவைச் சிகிச்சைகள் மேற்கொள்ளப்படுகின்றன என்றார் அவர்.

மருத்துவமனையில் ரூபாட்சியில் அறுவைச் சிகிச்சை நிபுணர் டாக்டர் மதன் திருவெங்கடா உடனிருந்தார்.

Journal of Orthopaedics and Joint Surgery

Respectful Members,

The Tamilnadu Orthopaedic Association has started Journal of Orthopaedics and Joint Surgery. Last year, two issues have been released. ISSN number have been allocated already. Print ISSN number is important as per National Medical Commission and we are in a position to get it shortly. Our journal is indexed in index Copernicus. This Year we have applied for indexing in DOAJ. I have to thank previous chief editor Prof. V. Thirunarayanan for his commitment and dedication to get indexed in index Copernicus and ISSN number.

We are in the process of getting cited in Google scholar within few months so that our journal will get wider coverage all around the globe. Hope we will get DOAJ indexing so that our journal will be as per the specifications of National Medical Commission norms.

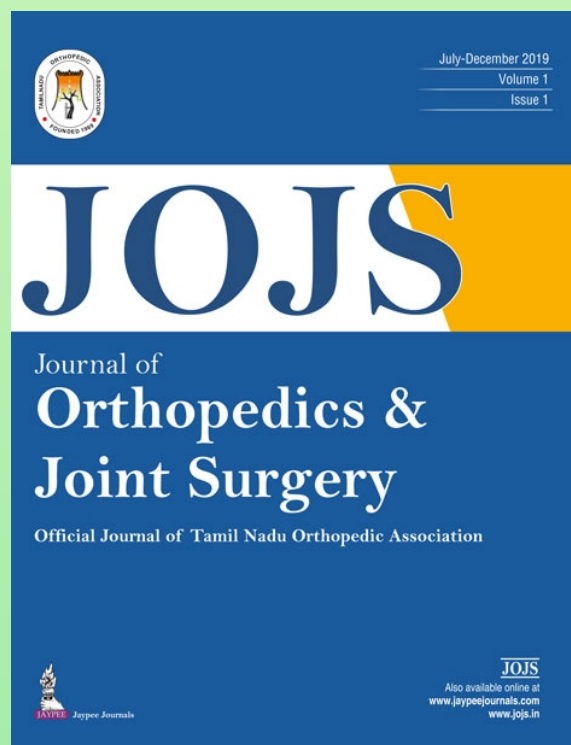

Earlier we were receiving manuscripts only from Tamilnadu. I am happy to inform you that we are receiving articles from other countries like Hong Kong and China apart from other parts of India like New Delhi.

I have to thank our TNOA for giving the opportunity to do my level best.

Stay safe... Take care...

**Prof. S.Vetrivel Chezian**

## Report of Editor, TNOA Video Journal

EC – Meet (25th April'21)

**Dr. T.M. Manohar**

### Membership Drive:

- 15 Post graduates from Salem enrolled as Associate members of TNOA, IOA, and OASIS.
- 2 Doctors as Life members of TNOA.

### TNOA Video Journal:

- Whether to name as JOJS video journal?
- In order to index the video journal we should have at least 2 to 3 issues in a year.
- Hence, it is not advisable to put the videos of the video journal in YouTube.
- Need of guidance from Indexing Author and IT Wing secretary.

Honourable Members of OASIS, TNOA, Most Respected Teachers and Colleagues,

Greeting from Midwest Ortho Society -Salem

It is with immense pride and pleasure we invite you to the Historic combined meeting of OASISCON 2021 and TNOACON 2021 at Yercaud, Salem from September 24th & 25th. This has been only the second combined meeting of its kind and the first one was way back in 2006 at Tirupathi.

**Theme of the conference is “Innovation-Integration”** Surgeons from all over south India are going to exchange & share their innovative breakthrough ideas thus igniting the young minds. This Conference is going to set a Benchmark in all aspects.

Yercaud is a scenic hill station and the weather in September will be very pleasant and enjoyable. Salem, is very close to Yercaud and is well connected by road, rail and air. Being the major physical conference after a long time, expectations are running high and the Organising team will put in every effort to provide the participants with a wonderful academic feast and the best of traditional South Indian Hospitality.

Please mark the dates and attend this memorable event to be held in a serene and beautiful location.

Expecting to meet you all in September at Yercaud.

Yours truly,

**Dr. R. Selvaraj**  
Organising Chairman

**Dr. J. Manimaran**  
Organising Secretary

## Message from Organising Secretary of TNOACON 2022

Greetings from Trichy Orthopaedic Club and Members of Central Zone I. We hope and pray the safety of all our fraternity members and their families in this testing time to be in safety.

We congratulate our Dynamic Executive committee members for constantly updating our knowledge by means of various online CMEs, PG teaching programs even during lockdown times.

We are all longing to meet one another in our Annual conference to be held in 2021 which was unfortunately postponed to February 2022. Our organizing team is eagerly expecting to conduct the prestigious event at our place. We are expecting the normalcy to return in the coming year 2022 and we will be hosting a physical conference as per Government regulations.

We, as well as all our members of TNOA are getting tired of online meets and we all want to meet and greet in person in our forthcoming conference. We will be delighted to welcome you all at Trichy and host you to have a memorable meet, especially after a long wait.

We shall give back the happiness of podium presentations, Debates, Verbal duels, Physical appreciations and honours to all our members by means of a Physical conference.

Looking forward to meet you all at Trichy on February 11, 12 and 13, 2022.

Long Live TNOA and IOA.

## **Report of TNOA Prof TKS Mid Year CME 2021 – Organising Secretary - Dr. A. Francis Roy**

This year TNOA Mid Year CME is to be conducted by Nellai Ortho club.

Theme - : “ **Shoulder Arthroplasty A-Z**”.

The second wave of covid has been much more than we expected. This wave is predicted to end by the July 15<sup>th</sup> with the prevailing situation and unsure status of physical meetings. The TNOA Prof. TKS Mid Year CME was to be conducted on July 18<sup>th</sup> 2021.

In this regard on 6th June 2021 Sunday there was a zoom meeting of Core committee members of TNOA, Organizing committee of PROF. TKS MID YEAR CME and Nellai Ortho Club office bearers was called on. The main Agenda of Discussion was about the Conduct of PROF. TKS- MID YEAR CME- 2021 during this unpredictable pandemic condition.

After elaborate discussions, the following key points were arrived at

1. It was decided to conduct ONE day scientific programme on 1st August 2021-Sunday. (Kindly note that the programme as per TNOA calendar was on July 18th at Courtrallam or Tirunelveli depending on Government regulations.
2. If the assembling in Hotels are allowed it will be a Hybrid meeting. If Physical meeting is allowed, Restricted delegates will be allowed in hall along with virtual telecast of scientific programmes.
3. If the pandemic is not under full control and if the necessary government permission for assembling inside the Hall or Hotels are not allowed, then the programme will be conducted entirely as a Virtual meeting.
4. If government permission could be obtained for 31st July 2021 which is a Saturday, then we can have an Inaugural function and dinner in the evening at Courtallam or Tirunelveli as the situation guarantees.
5. Confirmation of the Final programme will be intimated in the first week of July 2021.
6. Prof. Dr Suresh Kumar is redesigning the Scientific programmes for ONE day on 1st August 2021. The First TNOA. Prof. Natesan oration will be also conducted in the meeting.

## 1st TNOA Postgraduate Crash Course Report

April 9-11, 2021

Madras Medical College, Chennai.

The 1st TNOA Postgraduate Crash Course was held on 9, 10, and 11 April 2021, at Madras Medical College. The Organising Chairman Prof. N. Deen Muhammad Ismail and Organising secretary Prof. M. Antony Vimal Raj were instrumental in conducting this academic extravaganza, which was most welcome by the exam going postgraduates. Covid-19 pandemic posed a great challenge in educational activities in most teaching institutions and this course served to benefit those who were at loss with regards to coaching for Orthopaedic postgraduate practical examination. The total number of registrations was 220 including Postgraduates from Tamil Nadu, Kerala, Andhra Pradesh, and Karnataka. To comply with government norms for maintaining social distancing and to avoid exposure to patients the venue selected was the Physiology lecture hall in the Medical College Campus.

The 3 days' academic feast included 6 sessions covering all regional topics in clinical orthopaedics. 11 lectures in total by eminent faculties in respective fields including the star speaker Prof. Mathew Varghese, from St. Stephen's Hospital, New Delhi, whose lecture captivated all those present in the hall. Another attractive feature of the event was the clinical case presentation by Postgraduates and live interaction with the audience and expert panellists which served to be a brainstorming one for all those who attended. A total of 20 case presentations took place, which included 4 hip long cases with a detailed discussion of clinical examination techniques. Other topics that were covered included spine, orthopaedic infection, non-union, nerve injury including brachial plexus injuries, short case discussion on elbow, shoulder, knee, and orthopaedic oncology. Ortho-Radiology, Orthopaedic Pathology, Orthotics & Prosthetics and Implants & Instruments were also covered with lectures.

Another important highlight was the painstaking effort of TNOA President Prof. M. Antony Vimal Raj to release an event booklet that will serve as a ready reckoner for all exam-going postgraduates. It was released by our Past President Prof. Dr. R. Sivakumar and the 1st copy was received by Prof. Dr. Mathew Varghese. The TNOA President Prof. M. Antony Vimal Raj also issued a copy of the official journal of TNOA, namely JOJS (Journal of orthopaedics and joint surgery) announcing that indexation for the same has been completed with Index Copernicus.

All faculty who participated in the program were felicitated with a memento and certificate. The past presidents of TNOA who participated in the event were specially honoured the current President Prof. M. Antony Vimal Raj. The office bearers of TNOA were also honoured with memento and certificate.

Tamil Nadu State Medical Council had awarded 6 CME credit hours for the program through online registration of CME and the same was awarded to all participants who registered separately for the credit hours. Speakers were awarded 7 credit hours.

Finally, the program concluded with felicitation of the organizing team including Organising Co-Secretaries Dr. S. Cheralathan, Dr. G. Nagarajan, Dr. T. Gopi, and the postgraduates from the Institute of Orthopaedics and Traumatology, Madras Medical College whose untiring efforts made the program a grand success.

All exam-going PGs were given examination kits which was very well appreciated.

All PGs were motivated to become members of TNOA and 12 PGs became new members of TNOA and IOA.

**Dr. S. Cheralathan**

Organising Co-secretary

## TNOA – Cholamandalam Ortho PG Grant

The TNOA – Cholamandalam Ortho P G Grant was created by the organizers of the TNOACON 2005 at Cuddalore to provide financial grant to two deserving post graduate students in the State of Tamil Nadu. The selection of recipients every year is based on their academic credentials and research work.

Indian Journal of Orthopaedics (IJO) (ISSN 0019- 5413) is the official publication of the Indian Orthopaedic Association (IOA) and is published on bi-monthly basis. The journal, was first published on June 1, 1967, and now reaches to over 11000 members of IOA, making it one of the most read Surgical Speciality journals in South-East Asia. Editor-in-Chief: Dr. Lalit Maini Website: Indian Journal of Orthopaedics | Home ([springer.com](http://springer.com)) [www.springer.com/journal/43465](http://www.springer.com/journal/43465)

Bone and Joint Day is celebrated all over India by the Indian Orthopaedic Association (IOA) and all its state chapters on 4th of August every year since 2012. The primary aim is to create awareness among people about the bone health, various orthopaedic illnesses which can be prevented or treated and be useful to the society. It was on this day in 2012 the then President of IOA asked members to have at least one free surgery for poor patient and that activity is taken care of every year on that day. We usually have a week long activities from 1st to 7th August – Bone and Joint week.

### **Bone & Joint Day 2021 (1st to 7th August 2021)**

**Theme: “Save SELF Save ONE”**

No Free Surgeries due to COVID Pandemic. Online Teaching and Training of First Aid & Basic Life Support. Goal: Train One Lakh Children. Activities related to Members (Orthopaedic Surgeons) and Family: Talk on Work Life Balance, Talk on Cardiac Health, Talk On Financial Health, Musical Night, Any Other Related Activity.

IOA issued Advisory for Orthopaedic Practice during CoViD-19 pandemic: <https://ioaindia.org/IOAADV.pdf>

## Indian Orthopaedic Association IOA Presidential Theme and Logo for 2021.

### Aatmanirbhar Orthopedics: Indian @ Heart, Global in Competence

The first part, \*Atmanirbhar Orthopedics\* represents that we are self-sufficient as a whole regarding Orthopaedic care. let it be regarding training of the young doctors or patients care or even implants and instrumentation including rehabilitation products which are required in our field.

The second part \*Indian @ Heart, Global in Competence\* Indian @ Heart, represents that our heart beats for our patients and we take decision with empathy in the best interest of our patients, considering their social economic aspects also which is only peculiar in our country as they also play a major role while taking decisions.

Regarding Global in Competence, our skill as Orthopaedic Surgeons will be second to none, we shall imbibe and implement all newer technologies in our field and will always be ahead of time with the all aim that India should be the most preferred destination for Orthopaedic Medical Tourism.

Regarding the Logo, It has the logo of \*Indian Orthopaedic Association\* held by two caring hands above and below, in the backdrop of tricolour. It also has the presidential theme written below.

The hand on top of IOA Logo represents that we are one family under the banner of IOA, We shall work to protect the interest of our members first and We also care for IOA. We shall give healing touch with our hands.

The other hand below represents that we treat and serve our patients with proper care and empathy. It also represents that we support our parent body IOA.

The \*tricolour\* in the background represents Mera Bharat Mahan, we are proud to be members of IOA, we shall give due credits to our Indian studies done by our friends and colleagues and acknowledge them properly on a global platform. We want to promote more indigenisation in the field of orthopedics especially in the field of implants and instrumentation of course with international standards to cut cost of treatment. Be Indian, Buy Indian, Promote Indian.

**Dr B Shivashankar**
