From the Desk of the President

Dear honorable members,
Greetings .

It is my privilege and pleasure to reach you through this newsletter after taking over as the president of our esteemed Tamilnadu orthopedic association. First of all, let me thank you for giving me an opportunity to serve this association and for your support throughout.

After taking over as president of TNOA I had the opportunity to attend many programs of TNOA along with secretary Dr. C.J. Ravi.

Attended the Ortho club meetings of Cholamandalam ortho club at Mayiladuthurai, Coimbatore orthopedic society, inaugurated PG crash course at Coimbatore medical college, Shoulder Arthroscopy CME by Midwest ortho society, attended as chief guest of Pondicherry orthopedic association meeting at Pudhucherry and MOSCON-22 at Chennai. All were well organized and with academic content. Congratulations to the organizers and sincere thanks.

Inaugurated Perambalur ortho club at Perambalur. Best wishes to the team.

Attended EC meeting of IOA at 1st May at New Delhi and EC meeting of OASIS at Calicut and EC meeting of CSRC

President's theme for this year is **"GET IT RIGHT THE FIRST TIME"**. As planned by TNOA, BRACE (Basic Rules in Arthroplasty continuing Education) knee course was conducted at Trichy by Dr. Balasubramaniam and BRACE hip course was conducted by Dr. Dhanasekara Raja at Coimbatore and six more courses will be conducted in various zones.

EC meeting and zonal club meeting was conducted in Dindigul where we had fruitful discussions. Next EC meeting was conducted at Palani. We have planned to have EC meeting cum zonal club meeting on 16th & 17th July'22 at Dindigul.

Dindigul ortho club is organizing TNOA Prof. TKS Midyear CME at Dindigul on 16th and 17th July'22. I Kindly request all the members to attend in large numbers. I also request all members to participate in the Bone and joint day activities of this year which will be celebrated during 1st to 7th august'22.

LONG LIVE TNOA.

Thank you
Yours sincerely,

Dr. M. VANASEKAR
President
TamilNadu Orthopedic Association

From the Desk of the Secretary....

EDITOR'S REPORT - Dr. S. Vetrivel chezhian

Report read by the Secretary. Greetings from JOJS. On behalf of TNOA, Our JAN-JULY 2021 ISSUE was released in our TNOACON-OASISCON held in SALEM. December 2021 issue is ready and will be released in our tnoacon2022. January-July 2022 issue will be ready in the online first in January 2022. Regarding indexing, our journal application for DOAJ will be sent in the last week of December 2021. I thank Our TNOA President, Dynamic secretary TNOA and office Bearers for giving the opportunity to do my level best. President said the best article from our JOJS to be selected for TNOA Best Publication Medal by three judges appointed by the core team and the editor should coordinate.

INDEXING EDITOR'S REPORT - Dr. S. Makesh ram

So far three volumes released,

- ❖ Volume 1 - one issue (July – Dec2019)
- ❖ Volume 2 - two issues (Jan – June 2020, July – Dec2020)
- ❖ Volume 3 – two issues (Jan – June 2021, July – Dec2021)

ISSN of our journal was updated in international portal in Oct 2021. Already applied for renewal for Index Copernicus for the year 2020 in MAY 2021 itself and expected the same in Dec 2021. To reapply for DOAJ after December 16th 2021, as it was rejected early in June 2021.

JOJS transaction-Credit:

TNOACON 2018 indexing journal fund (Nagercoil) -	Rs 3,45000/-
TNOACON 2019 indexing journal fund (Madurai) -	Rs 5,05,500/-
TNOACON 2020 indexing journal fund (Vellore) -	Rs 5,00,000/-
JOJS transaction-Debit:	
Paid on 6/2/2020- website development -	Rs 2,25,400/-
Paid on 6/6/2020 (Vol 1) -	Rs 2,50,000/-
Paid on 25/2/2021 (Vol 2 - issue 1) -	Rs 2,50,000/-

Paid on 25/6/2020 (Vol 2- issue 2) -	Rs 2,50,000/-

Yet to be paid the amount to Jaypee for the last issue. President asked the treasurer to release the pending amount for the journal. As per the agreement copy between TNOA and Jaypee: clause no 05 – the minimum of 10% will be increase in the rates per annum, so from 2021 publication charges were increased from Rs 500/ copy to Rs 550/ copy. As we have got ISSN and our journal has got all standard requirements, to expand further, we are eligible to apply for Indian citation index and CAS (Chemical access science) and requested for permission to apply for indexing.

VIDEO JOURNAL EDITOR'S REPORT - Dr. T. M. Manohar

Redevelopment of TNOA Video journal website was Initiated, we have paid 75% (Rs.53,100) of the total cost (Rs.70,800). We have to pay the remaining amount after completion of the work. Old videos are being downloaded. Our plan is to include various categories of video like surgical techniques, Rehabilitation techniques, Physical examination techniques and Case series. Bunny Net has to be subscribed and to be paid monthly. For TNOA Members – Viewing, need complete membership list with e-mail id and phone number, so that authentication will be sent to their mail Id. Membership Drive: 08 Doctor has been enrolled as Life member of TNOA/IOA

Dr V Singaravadivelu asked the indexing editor to keep the video journal accessible to everyone. Dr. Terrence Suggested uploading video journal videos in YouTube Channel. Dr. C Rex wants clarification on Why our video journal to be indexed. Dr. Manohar replied that Indexing video provide platform for young surgeon's article recognition. Dr.K Sekar suggested generating some amount by subscription of videos in YouTube. Dr PT Saravanan suggested generating fund from midyear CME organizer to fund the maintenance cost of our Video Journal roughly about 15000 per year. EC approved the proposal.

ANY OTHER MATTER WITH THE PERMISSION OF CHAIR

EC has extended the last date for nominations for TNOA Prof. A. Devadoss Meritorious Award and TNOA Cholamandalam Ortho PG Grant to 15th December 2021. Best Zonal Club Award: Modification of Name to avoid confusion & renamed as BEST ORTHO CLUB AWARD – Metro & Non metro. EC has approved the following: TNOA Office - Upgrade the Computer Software & Increase the storage with external device. TNOA Office Secretary – Increase in his Salary 10% every year & one-month annual Bonus, TNOA Online Meetings - Zoom Account to be maintained and to be continued, TNOA Holograms – Payment approved to the official Printer, Request from DNB Ortho students - Consistent low pass percentage exam, EC decided to refer this issue to IOA.

Regarding sponsorship for the New Inland Travelling Fellowships, EC has unanimously approved Rs Five Lakhs for inland fellowship and Rs 7.5 lakhs for the unnamed foreign fellowship (Age < 50yrs), also approved Rs Five Lakhs sponsorship for TNOA Best Publication Gold Medal and Best Zonal Club Awards.

Dr. Rex expressed his willingness to sponsor one of the inland travelling fellowships and Dr. Terrence Jose Jerome want to sponsor a fellowship exclusively for Hand and micro surgery. Dr. CJ Ravi & Dr. Veerapan jointly to sponsor one of the medal or fellowship and Trichy Orthopaedic Society likes to sponsor for Best Publication award. Secretary said these proposals will be taken up in the next General Body meeting to proceed further. Dr. Sekar wants Prof. Ramakrishnan medal selection process should involve Nellai Ortho Club and President replied selection to be done by the TNOA and not by the sponsors. Dr. Aju Basco requested to increase fellowship amount to one lakh. President said we will consider this request if we get a sponsor as already discussed. For Indemnity scheme money should be sent to Association and not directly to insurance company.

Meeting concluded after the secretary delivered vote of thanks.

Request by Dr. Ravichandran to start the global wing of TNOA was welcomed by the EC. Voting rights cannot be given to global wing members as of now. To enquire with the Registrar of Coop societies about legal implications. It will be a huge add on to our TNOA which can offer fellowships, training programs and support TNOA in many ways was appreciated by EC. Plan to inaugurate the TNOA global wing during TKS Mid-year CME.

The proposal to increase the packages in CMCHIS submitted already was discussed.

JOJS INDEXING EDITOR REPORT

PROF. S. MAKESH RAM

Our Journal Of Orthopaedics and Joint Surgery (JOJS) is already indexed in index Copernicus, Google scholar, I2OR and cross ref. So far, four Volumes have been released.

Last one was released in TNOACON 2022 – Volume 4 (Jan to June 2022) edition. As per NMC guidelines to move ahead, we have applied for DOAJ in May 2021, was rejected first as our JOJS, e-ISSN was not updated in international portal. So after rectifying the same, we reapplied for DOAJ in Dec 2021.

It was again rejected in March - 2022 by DOAJ, stating that as we are indexed in Copernicus upto 2020, they are not accepting it. We are eligible to apply for DAOJ only in Dec 2022. So we will not apply for index Copernicus for 2021.

Hope by this year end we can apply for DOAJ.

To
Branch Presidents & Secretaries
IMA Tamilnadu State Branch

Dear seniors, friends and colleagues,

Greetings from IMA Tamilnadu State Branch.

We have received a lot of representations from various associations concerning the online aggregator platforms like Practo, Pharmeasy, Pristyn, Medfin and a lot others who lure doctors to enroll themselves in this unethical platform.

We are all enrolled with the Medical Council which states that :-

"A physician shall not give, solicit, or receive nor shall he offer to give solicit or receive, any gift, gratuity, commission or bonus in consideration of or return for the referring, recommending or procuring of any patient for medical, surgical or other treatment. A physician shall not directly or indirectly, participate in or be a party to act of division, transference, assignment, subordination, rebating, splitting or refunding of any fee for medical, surgical or other treatment" (Section 6.4.1.)

Additionally, it is clearly stated that, "A physician shall not use touts or agents for procuring patients", (Section 7.19)

This trend of registering and being marketed by agents is unhealthy and unethical to our profession. We request all our members to desist from such a practice and if found persisting action would be initiated.

Thanking you
Yours in IMA Service

On behalf of the organising committee it gives me immense pleasure to welcome our 'honourable members to TNOAC2023 to be held in Chennai. The ever vibrant metropolis city Chennai, the capital of Tamilnadu is also the Gateway to the South and Medical tourism capital of India. The city is well known for its scenic beauty, shopping malls, state of art transport facilities, historically significant places of worship and ever busy food joints serving cuisines all around the world and many more attractions are all awaiting your indulgence. We promise to take you down a time travel through heritage where you can Embrace the past, Experience the present and Envisage the future of our country.

MGM beach resorts promises to be the perfect rendezvous for you to experience our warm and generous hospitality. Under the able guidance of seniors and a highly energetic and tech savvy you generation we will planarise all our efforts leaving no stone unturned to take the conference to a new level. We are excited to have you all here and we are looking forward to a great time.

Update knowledge, Upgrade skill and Upgrade life. Educally crucial across the globe, interaction, meet the masters, dedicated hall for live surgeries, fellowship interviews for Post grad courses, the most relevant and sensitive sessions are a few of the highlights of the academic program.

Gastronomical delicacies, celebrity invites, gala cultural events, variety of sporting activities, post spouse events, multiple tour packages have all been lined up to rejuvenate yourself. I once again give a warm welcome to you all to experience the multi domain academic and diverse cultural festival.

Dr. Ramesh Sen
President - IOA

“Success with Surgical and Soft Skills”

Distinguished members of Indian Orthopaedics Association,
A lot of online academic and other activities has been done in the last year. We need to further our actions for a better IOA.

The IOA will focus this year to have regular courses of surgical skill training for our younger colleagues and creating facilities for skills updating for our seniors members in their areas of interest. This year, we hope to create systems to have Quality Clinical Research in India, to formulate guidelines and advisories, keeping in consideration the facilities available in healthcare systems in our country, and to continue the National Registry work in various orthopaedic problems.

We hope that with the combined strength of all the members of Indian Orthopedics Association, we can achieve all these goals.

This year we wish to achieve ‘Success with Surgical and Soft Skills’.

With all the members of the IOA Executive Committee/ , I wish you again a brighter time ahead.

Ramesh K Sen

President, Indian orthopaedics Association 2022

Does total hip arthroplasty with high hip centre in dysplasia compromise acetabular bone stock?

Arun Kannan¹, Chameka Madurawe², Jim Pierrepont³ and Stephen McMahon⁴

Abstract
Background: The placement of uncemented acetabular components during total hip arthroplasty (THA) in Crowe II and Crowe II dysplasia can be at the anatomic or high hip centre position.
Purposes: Using computerised tomography data, we simulated acetabular cup placement at the anatomic hip centre and the high hip centre positions to assess whether there is a difference between the 2 in terms of bone loss from acetabular reaming and in acetabular coverage by host bone.
Methods: The study population included a consecutive cohort of 19 patients (22 hips) with Crowe II or III dysplasia. 3-dimensional models of the pelvis were created for each patient and digital templating was used to determine the anatomic and high hip centre positions. The coordinates of the digitally templated cup positions were fed into an image processing software to estimate the amount of bone reamed, the cup coverage by host bone and the elevation from tear drop.
Results: The mean volume of bone reamed was greater in the high hip centre position as compared to the anatomic position (27.3 ± 11.4 cm³ vs. 19.4 ± 12.2 cm³, p < 0.0001). The coverage of the acetabular cup by host bone was greater in the high hip centre position (87.3 ± 5.9% vs. 48.3 ± 10%). The mean elevation in the high hip centre group was 13mm with 3 hips having a breach of the medial wall.
Conclusions: In Crowe II and III dysplasia, placement of acetabular cups at the anatomic hip centre better preserves bone stock as compared to high hip centre placement and should be preferred in young patients requiring THA.
