President Message

Respected Member Of TNOA,
Greetings,

I sincerely congratulate and thank all the members of our esteemed Association for enthusiastically taking part in the Bone and Joint Week and making it a grand success. The number of programmes conducted by each district chapter is phenomenal. You will not believe it unless you go through the entire newsletter and see the activities of each club and society.

The “TNOA Bone Health Awareness Fortnight 2024” will be observed from 10th to 23rd October 2024. Many Orthopaedic Health Days fall in this fortnight and is an excellent opportunity for all of us to take TNOA close to the common people. The best contributors will receive appreciation awards.

I congratulate the organising team of this first ever, TNOA Prof. TKS MYCON 2024 for successfully conducting it at Velankanni. It was an excellent Academic and family meet with heart-warming hospitality. I am sure these Mid-Year Conferences will help in the research collaborations in non-metro and metro zones. I thank the family members of Prof TKS for providing the photographs from yester years of Prof TKS.

The IOA PG teaching program at Tirunelveli was a huge success. Kudos to our President Elect Prof. Manikandan Editor Prof. Suresh Kumar and the entire organising team for successfully conducting it. It is the first IOA PG teaching programme in Southern most part of Tamil Nadu.

We had the opportunity to take part in the installation of the new office bearers of Krishnagiri Orthopaedic Society and Midwest Orthopaedic Society. I thank the outgoing office bearers for their excellent contributions and congratulate the incoming office bearers.

Our Fellowship Secretary Dr.C.S.Vishnu Prasanth, apart from conducting the first ever TNOA Online All India PG Quiz Programs is also working tirelessly for 10 fellowships and 58 observership which includes the debut of Prof.R. Sivakumar /Prof. M Chidambaram travelling fellowship in Trauma and many observership in various Orthopaedic sub specialities.

I thank our treasurer, Prof.A.Saravanan, for keeping the TNOA house, clean, and tidy which is always open for our members.

I thank all the Zonal EC Members for their excellent contributions during the Bone and Joint Week and I am sure they will contribute more in the forthcoming TNOA Bone Health Awareness Fortnight 2024.I request our members to bring all Orthopaedic Surgeons of Tamilnadu under the TNOA&IOA umbrella. This will help us to do even more activities in the national and international arena.

I sincerely thank our past Video Editors, Dr.K.Meenakshi Sundaram , and Prof. T.M. Manohar for providing the Surgical video Collection. Our present IT Wing Secretary Dr.S. Varaprasad is editing those Videos and adding subtitles which are being uploaded in TNOA YouTube channel regularly. He has also updated the TNOACON 2025 website. I request all the members to go through this website and TNOA Website.

Our dynamic Secretary Prof.V.Thirunarayanan is sharing the joy with me of travelling the entire length and breadth of Tamil Nadu for taking part in TNOA activities.

The second half of TNOA Year is already buzzing with many academic activities.

We are bracing for another historic event, the first TNOA Tamil Conference of Pandianadu at Thoothukkudi. Our joint Secretary, Dr.S. Marimuthu and his team under the able guidance of Dr. Ghulam Mohideen and our immediate past Secretary, Dr CJ Ravi is leaving no stone unturned to make this a mammoth event of TNOA. We are releasing an Orthopaedic Tamil Dictionary in this meet. Hopefully, the next TNOA Tamil Conference 2025 will be at Cheranadu.

TNOACON 2025-Cuddalore will be at Sangamithra Convention Centre which is very close to Pondicherry. I request all the members to attend this meeting and Learn from the past-Do it right today and Excel Tomorrow. We will be bringing many discussions for the General Body Meeting which will help to take our association to a greater level. The scientific Chair of this event Prof G.Santhosh Kumar is working day and night to give you a fabulous academic feast. We appreciate the hard work of the organising team of TNOACON 2025 to make this into a historical event.

Elections are around the corner for the post of Vice President, Fellowship Secretary and EC members of Chennai and Madurai.

The candidates are not elected by the majority of our members but by the majority who participate.

Voting is the expression of our commitment to ourselves, one another, our esteemed TNOA and this society.

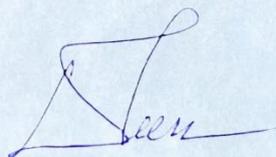

If there is a contest, please take part in the election and exercise our democratic duty. As per the Tamil Nadu societies registration Act. 1975 we cannot conduct online elections at present.

I sincerely thank all the Past Presidents and Secretaries of TNOA for guiding us to take our esteemed TNOA to its pinnacle.

Eagerly expecting to welcome you all for the TNOA Tamil conference 2024 at Thoothukudi and also much awaited TNOACON 2025 Cuddalore.

Long live TNOA!!!

With Warm Regards

DR.N.DEEN MUHAMMAD ISMAIL

Secretary Message

Respected teachers, seniors and all honourable members. Warm greetings from the TNOA. Our Association has been brimming with activities across the state and busy as a bee as ever.

Our members demonstrated their true potential in organizing the Bone and Joint Celebrations. The state was flooded with Academic events, social awareness campaigns, Road rallies, CPR trainings, Road safety demonstrations, etc. At this juncture I submit my humble gratitude to all our members for celebrating the Bone and Joint Day with such fervour and frolic, the magnitude of our activities has been resonating as viral news in other states.

This newsletter brings the very important democratic function of our association the most expected TNOA Election notification. The code of conduct for the candidates are also published in this newsletter for the benefit of our aspiring contestants. Wish all our contestants the very best.

The historic event of the First TNOA Prof T.K.S. Midyear conference which in previous years was the TNOA Prof T.K.S. Mid Year CME was a huge success. The organizing team deserves our hearty congratulations and heartfelt thanks for bringing out such a great academic program. The organizing team left no stone unturned in making this event such a great success.

The location at a venue as Velankanni, truly stands testimony to the thoughts of our great teacher Prof T.K.S. that orthopedic academics should reach nook and corner of the state especially to remote and rural locations. The TNOA band rocked the entertainment program under our multi-faceted talent and Past President TNOA Dr.C. Raja Ravi Varma. I salute the organizing chairman Dr.Palanivelu, Organizing Secretary Dr.Abdul Hameed Ansari and the entire team for their untiring efforts to elevate our first Midyear conference to such level.

IOA PG teaching program at Tirunelveli was another major event under our banner. The learned faculty, the classic clinical cases and the hospitality of Nellai team under Prof.N.Manikandan our President Elect turned this event to a different level. Prof.A.Sureshkumar the Editor in chief JOJS and organizing Secretary of this event spent sleepless nights in bringing out this flawless event that benefitted more than 100 PGs from Tamilnadu and other states.

TNOA programs like BRACE, BOSS, ROCC have all hit the roof this quarter. We have been creating records of a sort with more than 1000 delegates attending the monthly ROCC program for the last three months. For the first time the TNOA fellowships have been called for in the first newsletter itself. This time we have received the maximum applications for our Fellowships with around 75 applications. Observorships of various sub-specialities have also been offered as we have been doing the last few years.

For the first time and may be also the first state to provide fellowship and observorship for Robotic Arthroplasty this year. The Robotic Arthroplasty fellowships clearly define the massive Orthopedic infrastructure of TNOA and also the willingness of senior faculty members to teach junior colleagues on the technical advancements. Our TNOA Fellowship Secretary Dr.C.S.Vishnu Prasath has meticulously scrutinised the record number of applications and has put in a mammoth effort to coordinate with fellowship centres and candidates.

His efforts are laudable and will pave the way for easy and comfortable completion of fellowship. With another historic event the TNOA Tamil Conference at Tuticorin on October 20th just a few days from now I kindly request our members to register in large numbers to witness the event where we will salute our mother Tamil for all the blessings that she has showered on us. Extraordinary events are lined up and interesting deliberations are in store for us to attend.

The upcoming annual extravaganza of TNOA the TNOACON 25 is underway with grand arrangements in every quarter. It will truly be an event to cherish and remember for everyone. On behalf of the organising committee and TNOA I welcome all for the conference.

I Thank our TNOA President for his guidance in every aspect and all our respected EC members who are the strength of our association and have always supported me in all the endeavors of our TNOA.

“Men may come or Men may go
But TNOA will go on forever”
Long live TNOA!!

With regards
At the service of TNOA

DR.V.THIRUNARAYANAN

TNOA Fellowship Secretary Report

TNOA Inland Travelling Fellowships- 2024-25:

The application for TNOA Inland fellowships were released on 21st July 2024. We received 73 applications for the same. The applications were scrutinized and 67 eligible candidates were allotted their center of choice. The final list of candidates is attached. The candidates have to complete their fellowships before January 31st 2025.

TNOA PRESIDENT'S PROGRAMME 2024

Every year TNOA actively conducts educational programs for its benefactors to propagate the culture of lifelong learning among orthopedicians. This year four programs are organized under the aegis of the TNOA President's program.

1. TNOA BOSS course 2024
2. TNOA BSC 2024
3. TNOA ROCC PROGRAMME 2024
4. TNOA ONLINE ALL INDIA POST-GRADUATE QUIZ 2024

1. TNOA BASIC ORTHOPAEDIC SURGICAL SKILLS COURSE – 2024

Tamilnadu orthopaedic association (TNOA) conducted the basic orthopaedic surgical skill course (BOSS) for the beginner surgeons. For learning basic skills such as:

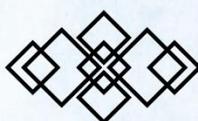

- Basic trauma skills course
- Basic principles in trauma with video demonstration
- Saw bone model workshop.
- Cadaver based learning of exposures

First two BOSS courses were conducted by Madurai medical college and SRM university -Chennai. The next Boss course is to be held in Trichy SRM medical college.

2. TNOA BASIC SPINE COURSE- 2024

To impart the basic skills required for a spine surgeon, the BSC course was organised, initially at SRMC. Renowned spine surgeons from all over Tamil Nadu attended and imparted wisdom. The workshop included:

- Patient positioning
- Hemostasis
- Spine instrumentation
- Dural repair
- High speed burr usage

After the enthusiastic response received for the course, Government Cuddalore medical college conducted 2nd BSC course which was well attended by 80 students. The next BSC courses are to be held at Tanjore on 29th September and Coimbatore on 5th November.

3. TNOA Resident Orthopaedic Clinical Classroom PROGRAMME 2024

TNOA ROCC is a monthly endeavour conducted on the first Saturday of every month at 11 am. Every classroom has:

- Basic Orthopaedic surgery explained step -wise for the postgraduate (live/recorded)
- Case presentation by the postgraduates- overseen by mentor
- Lecture by a faculty.

Postgraduates attend the session online, (hosted by CLIRNET) and can interact live with the faculty, making the experience fruitful.

Past ROCC programs:

- Devadoss hospital, Madurai- May
- Rex hospital Coimbatore- June
- Ganga hospitals - August

Upcoming ROCC programs:

- SRMC- September
- SKS hospital, Salem – October
- Preeethi hospital, Madurai- November.

4. TNOA ONLINE ALL INDIA POSTGRADUATE QUIZ PROGRAMME – 2024

An initiative to encourage Orthopaedic postgraduates from all over India to showcase their knowledge and to develop a healthy competition among peers by means of quiz program, we began the online PG quiz in the month of April 2024.

The quiz was hosted online by an AI app – Acceltop. We had overwhelming response with the registrations.

Quiz schedule:

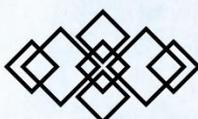

- April 14th 2024 – Spine
- May 12th 2024 – Sports medicine and Arthroscopy
- July 14th 2024- Arthroplasty
- September 15th 2024 – Trauma
- November 10th 2024 – Paediatric orthopaedics
- January 12th 2025 -Hand and microsurgery.

Students answer 60 questions in 60 minutes. Online rank list is generated.

5. TULIP -Tamilnadu Upper limb Instructional Program

To update and to share the latest developments in shoulder pathologies, TULIP program was started and the first CME was organised by Dr.Ram Ramchidambaram on 15th September at Chennai. The program was well attended by young orthopaedic surgeons and post graduates.

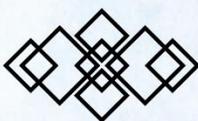

The following candidates will be given a grant of 10,000rs as a part of TNOA Travelling Fellowship program while other candidates will undergo 2 weeks of TNOA Observorship.

Dr. Jai ganesh moorthy	TNOA Prof. A.J.Selvapandian Travelling fellowship.
Dr.R.Vivekanandhan	TNOA A.J.Selvapandian Travelling fellowship.
Dr.Balaji	TNOA Dr.Muralidharan/Dr.Vanasekar Travelling fellowship

The Tamil Nadu Orthopaedic Association Elections Notice for the year 2024

Dr.N.Manikandan
President Elect & Election Officer

Respected Members,

Greetings

I am glad to announce the TNOA Election for the year 2024.

As we have registered our association under the Tamil Nadu Societies Registration Act. 1975 we cannot conduct online elections at present.

This year also it will be an election by postal ballot paper. I request the interested candidates to send their nominations through the appropriate forms attached in the current newsletter. Please take a print out of the forms and send it by post. If you have any queries do not hesitate to contact me.

Nominations are invited for the following posts of Tamil Nadu Orthopaedic Association for this year .

Core Committee Member:

S. No	Post	Vacancy
1	Vice - President TNOA	One Post

S. No	Post	Vacancy
1	Fellowship Secretary	One Post

Nagercoil

On behalf of TAMILNADU SOUTH ZONE AND KANYAKUMARI ORTHOPAEDIC ASSOCIATION BONE AND JOINT DAY was celebrated in MITHUNA ORTHOCARE HOSPITAL, udaiyavilai, Kanyakumari district on 4.8.2024 by organising a rally on "ROAD SAFETY, SAVE LIVES" from colachel bustand to Monday market busstand. Dr.T.Sriram , member of Kanyakumari orthopaedic society along with his team members organised the rally and distributed about 5000 ROAD SAFETY pamphlets to the public for the awareness of importance of helmets and seat belts and No todrink and drive.Free physiotherapy was provided at MITHUNA ORTHOCARE HOSPITAL in which around 100 patients were benifited

North Zone

In view of bone and joint week, Department of Orthopaedics in SRM Medical College Hospital conducted bone mineral density camp on August 5, 2024. Lecture regarding bone health awareness was given by Dr.Aravindhhan. Postgraduates explained the public about common musculoskeletal problems, Vit D and bone health through their posters. Around 120 people participated in it.

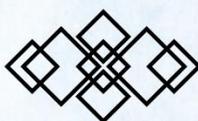

Day 2 - Nutritional importance for healthy bone and joint awareness programme

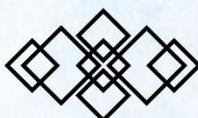

BONE AND JOINT DAY CELEBRATION Department of orthopaedics, CMCHDay 1 - IEC activity for patients at ortho opd

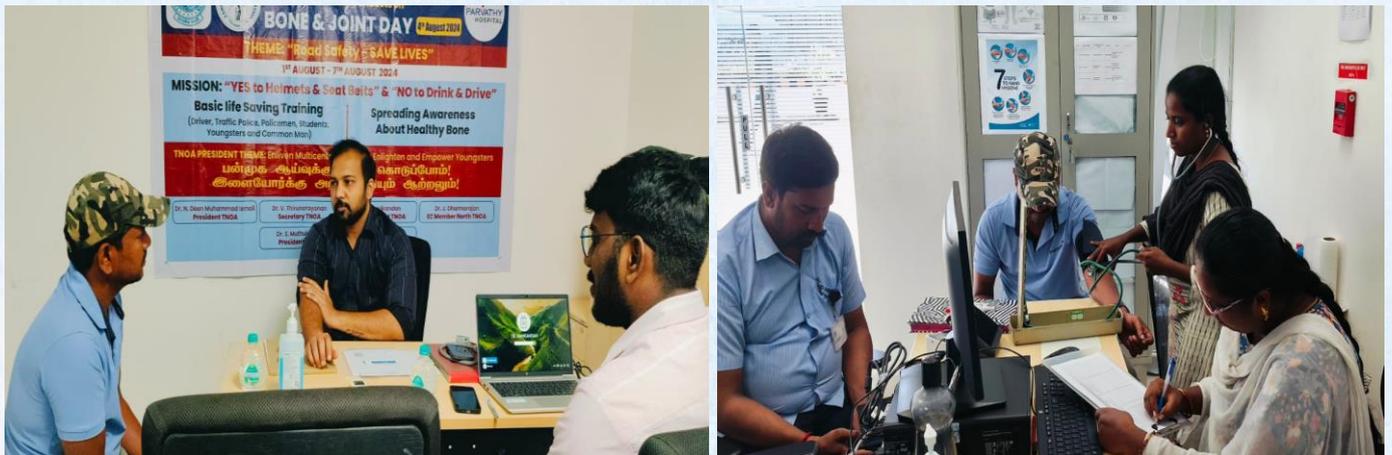

Day two at Mahindra research valley Camp completed with 120 BMD screening with consultation

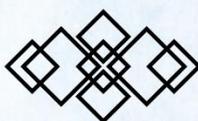

Tagore Medical College and Hospital's Orthopaedics Department Conducts Road Safety Awareness Programme
Tagore Medical College and Hospital, 07-08-2024
The Department of Orthopaedics at Tagore Medical College and Hospital organized a road safety awareness programme on 7th August 2024 as part of the Bone and Joint Day activities. Given the high incidence of road traffic accidents treated in the hospital's emergency department, many of which result in severe injuries that could be prevented with proper safety measures, the programme aimed to promote a culture of safe driving. The highlight of the event was a bike rally themed "Road Safety: Safe Lives," with a mission statement of "Yes to Helmet and Seat Belts, No to Drink and Drive." The rally commenced from the hospital portico, featuring around 30 bikes and 60 participants, including doctors, staff, interns, and postgraduate students from various departments of Tagore Medical College. Dr. Jayakumar, the Medical Superintendent, flagged off the rally, which followed a route from the hospital to Melakottaiyur, Rathinamangalam bus stop, and back to the hospital. Dr. Jenson, Head of the Orthopaedics Department, delivered an insightful talk on road safety and the importance of adhering to safety practices while driving. The event underscored the critical importance of road safety measures in reducing the number of traffic accidents and their resultant injuries. By fostering a culture of responsible driving and the use of helmets and seat belts, the programme aimed to save lives and prevent unnecessary injuries on the roads.

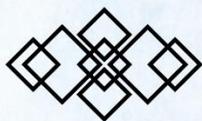

Camp completed with 101 BMD screening with consultation

In view of bone and joint week, Department of Orthopaedics in SRM Medical College Hospital conducted bone mineral density camp on August 5, 2024. Lecture regarding bone health awareness was given by Dr.Aravindhan. Postgraduates explained the public about common musculoskeletal problems, Vit D and bone health through their posters. Around 120 people participated in it.

South Zone - 1

On behalf of Villupuram Ortho Club and Villupuram Medical College we conducted an Awareness Rally regarding road safety measures. More than 100 students participated. It gained more public attention.

Trichy

Bone and Joint Day Awareness Program at Holy Cross College, TrichyDear AllI am pleased to share a brief recap of the Bone and Joint Day awareness event, which included sessions on basic life support and an interactive discussion on first aid and helmet safety, held on August 3, 2024, at Holy Cross College, Trichy. The event was a tremendous success, with more than 200 students in attendance, who greatly benefited from the comprehensive and informative sessions. Dr. Praveen Dhas and I had the privilege of actively demonstrating essential first aid skills. We engaged with the students throughout the session, ensuring a hands-on learning experience. The enthusiastic participation of the students was truly encouraging, and it was rewarding to see them gain practical knowledge that could potentially save lives. We extend our heartfelt gratitude to the Principall, Secretary, NSS coordinator Dr Merlin Kokila, administration and staff of Holy Cross College for their impeccable arrangements and warm hospitality. Their support and dedication made this event possible and ensured its smooth execution. Looking forward to more such impactful initiatives. Best regards, Dr. J Terrence Jose Jerome Secretary, Trichy Orthopedic Society

Executive Committee Members of OASIS representing TNOA:

Dr N.Deen Muhammad Ismail - President

Dr V.Thirunarayanan - Secretary

Dr N.Manikandan - President Elect

Dr S.R.Sundararajan - Vice President

Dr.N.Thanappan. – Editor JOASIS

Registered central office of OASIS is functioning at our TNOA Building in Chennai.

OASISCON 2024 was held at Palakkad and DR.P.N.Vasudevan took over as the President OASIS.

It was a moment of great pride for TNOA when our senior member, Past President TNOA, Past President OASIS and HOD of the Institute of Orthopedics and Traumatology Prof.K.Annamalai was honored as the senior fellow from Tamilnadu. He thanked TNOA and OASIS for the gesture and recalled the days when he was President OASIS and how well the OASISCON was organized and conducted at Chennai during his tenure.

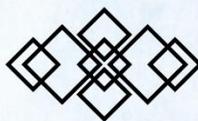

As per the turns of OASIS the 2027 OASISCON is scheduled to be conducted by TNOA. The selection of venue will be done as per protocol.

The 2025 OASISCON will be held at Pondicherry in the month of August. The turns for the OASIS oration (Prof.SSK Marthandam) will be for TNOA. The orator will be decided as per protocol.

Prof.N.Thanappan is the Editor in Chief of JOASIS the official journal of OASIS. I hereby kindly request our honorable members to submit articles to JOASIS.

November 9 th the OASIS Trauma Conclave is to be conducted in Chennai at Chettinad Hospital and Research Institute Kelambakkam, Chennai. Request our Honorable members to actively participate in this wonderful academic event and register in large numbers.

The OASIS EC and GBM minutes are published in this newsletter as per the advice of our Past

President and OASIS past President Prof.R.Selvaraj to disseminate information about the happenings of OASIS to all our members.

OASIS 3rd EC MEETING HELD DURING ADVANCED CME AT VIJAYAWADA

- LEMONTREE HOTEL ON 30/06/2024

- Meeting was called to order by the President Dr.Nithyanand Rao
- Obituaries were read out from all the south indian states, we lost our following colleagues this year – Dr.Purnachandra Rao, Dr.Srinivas from Vijayawada, Dr.NagaRavi from Kurnool, Dr.Vijayagopal , Dr.Lazar Chandy, Dr. Bijju.s, Dr.Radhakrishnan from Kerala, Dr.K.C.mohan from Nagarcoil, Dr.Pandyarajan from TN.
- Minutes of the Last EC meeting was read out by the Secretary
- Secretary General presented the OASIS activities conducted this year till date
- Financial report and present financial status were elaborated by Treasurer Dr.Manjunath
- EC Accepted TNOA President & Secretary to join the meeting online due to their inability to come physically as they were attending another state program which was scheduled much before the announcement of our EC meet dates., and also Dr.Nalli Uvaraj to join online due to health reasons.
- The EC reiterated such hybrid EC meetings should not be encouraged in future as it demotivates those members who have taken pains to travel so far to physically attend the meeting.
- President permitted special invitees Dr.Vijayaraghavan & Dr.Rajagopalan to participate in the EC meeting restricting them to speak only relating to the matter they wanted to discuss – i.e. contesting for the IOA elections from south Indian states. The President along with EC consensus expressed that there should be only one candidate contesting from south India, and the OASIS EC will take a neutral stand when it comes to supporting any one candidate.it is among the two candidates to decide who should contest and who should withdraw.
- The Ground report about the forthcoming OASISCON was given by Dr.P.Vasudevan & requested all EC members to promote OASISCON 2024 among their state orthopedic groups and each EC member should at least try and get one trade partner to participate

in OSISCON this year from their state, and Each EC MEMBER TO TRY AND GET AT LEAST 100 REGISTRATIONS FROM THEIR STATE. - Dates Aug30th, Sep 1, 2 of 2024

- EC took serious note on the clashing of dates of Andhra Pradesh & Telangana state conferences with other state's conferences, and requested to modify the same with discussion with respective state bodies. Secretary General will send mails to all states about the dates for the state conferences and all states should adopt it.
- Secretary general to announce the calendar of events of OASIS for next 2 years in advance.
- All the EC members & Vice Presidents of all the state were sensitized about including the appropriate faculties from their state in the OASIS scientific programs like OASIS Advanced CME, OASIS Traumacon & OASISCON. They need to coordinate with the Convener of academic committee of OASIS and ensure all state contribute speakers in OASIS programs.
- Dr.Thimma Reddy Suggested there be a tag line below the OASISCON which should read as **OASISCON – South Indian States Annual Orthopedic Conference**, the EC passed this.
- This year onward a Cricket tournament shall be started during OASISCON, Dr.Aneen Kutty who was given in charge of this briefed the preparedness about this event & also briefed the rules of the game. it was unanimously decided to go ahead with Tennis Ball matches
- Dr.Vijayakrishna reddy briefed about the Advanced CME being held presently here in Vijayawada – there were 175 registered delegates.
- OASIS registration is long pending and it was decided in the EC that the Secretary should take up the process of renewal with help of Dr.Thirunarayanan who is the Secretary of TNOA, and he has the required experience in registration procedures as he had freshly renewed the TNOA registration.
- Dr.Naresh announced that he had roped in one company called JANSEUS, who will sponsor Rupees one Lac, for initiating an OASIS video theatre, and we have to permit them to display their company logo in the display materials. EC permitted Dr.Naresh to take this proposal forward and report the progress.
- Vote of thanks was proposed by the Secretary general.

● Meeting concluded with National Anthem

4th E.C MEETING HELD ON 30st SEPTEMBER AT OASISCON2024 Palakkad – tripenta hotel

Meeting called to order by President Dr Nithyanand Rao President after sufficient corum was obtained

Silent prayer was observed

Obituaries were read out by Secretary general - we lost our following colleagues this year – Dr.Purnachandra Rao, Dr.Srinivas from Vijayawada, Dr.NagaRavi from Kurnool, Dr.Vijayagopal , Dr.Lazar Chandy, Dr. Bijju.s, Dr.Radhakrishnan, Dr.Renuka from Kerala, Dr.K.C.mohan from Nagarcoil, Dr.Pandiyarajan from TN.Dr.C.B.Prabhu From Karnataka ,and 1 minute silence was observed

Minutes of the past EC meeting was read out by Secretary general

Secretary General's report was read out by Dr. Roshan Kumar

The OASIS Journal issue was discussed – The JOASIS has run into deep problems because it was not in accordance with the norms required for indexation. The Guidelines provided by the Publishers were not followed properly.

Even the handing over of the Journal to the new committee headed by Dr.Thanappan was not done systematically & no protocols were followed by the previous Editor Dr.Suresh Pillai. Attempts to contact Dr.Suresh Pillai multiple times failed and he declined to part with the Credentials for accessing the Journal by the new editorial tem.

Hence the EC deliberated and decided that we shall start the Journal process fresh with new credentials created with the publishers – Wolter Kulwers.

The New committee will be headed by Dr.Thanappan who will be editor in chief, and Dr.Thirunarayan from TNOA was suggested for the post of Associate Editor for remaining 2years term. This will be proposed in GBM by EC.

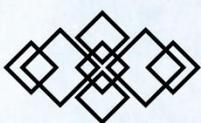

Dr.Naresh announced that one company has come forward to sponsor Rs.1Lac, to OASIS, for video journal section in our web site, wherein we have to display that company's name or logo in all our videos presented. The ec APPROVED THE PROPOSAL AND ASKED Dr.Naresh to proceed with the proposal.

EC deliberated to reform all committees and present after GBM. The Secretary general will create the Committees and update in EC group

The Contribution from OASICON 2022 from Kurnool was still remaining due, and the then President Dr.Srinivasa Reddy was asked to pay the dues. Dr.Reddy expressed inability to pay, but the EC reiterated that it was a conscious decision of the President to host the conference &

they were aware of the norms of contributions to OASIS. After prolonged deliberations Dr.ThimmaReddy & Dr.Srinivas Reddy & Dr.Vijay Chandra Reddy promised to pay Rs.2.5Lacs now and remaining 2.5Lacs will be covered along with the OASIS contributions from the OASISCON2026 by Dr.Vijay Chander Reddy. The EC accepted the proposal.

Similarly Subscription Amounts from Andhra, Telangana & Puducherry were long due, and they were asked to clear it immediately

Dr.Ajith Kumar from Canara Orthopedic Association Karnataka, announced additional contributions of Rs 5Lacs will be given to OASIS from the savings from OASISCON 2023 at Mangalore.

President Dr.Nithyanand rao said henceforth any OASISCON organizing President should pay the OASIS contribution of Min 5 Lac within the 2nd EC meeting.

All state Presidents & secretaries were requested to adhere strictly to dates of their state conferences & meetings and to see that they do not clash with OASIS programs.

Meeting concluded with vote of thanks by Secretary general.

ANNUAL GENERAL BODY MEETING HELD ON 31st SEPTEMBER AT OASISCON2024 Palakkad – tripenta hotel

Meeting called to order by President Dr Vasudevan President after sufficient corum was obtained

Silent prayer was observed

Obituaries were read out by Secretary general - we lost our following colleagues this year – Dr.Purnachandra Rao, Dr.Srinivas from Vijayawada, Dr.NagaRavi from Kurnool, Dr.Vijayagopal , Dr.Lazar Chandy, Dr. Bijju.s, Dr.Radhakrishnan, Dr.Renuka from Kerala, Dr.K.C.mohan from Nagarcoil, Dr.Pandyarajan from TN.Dr.C.B.Prabhu From Karnataka ,and 1 minute silence was observed

Minutes of the past GBM was read out by Secretary general

Secretary General's report was read out by Dr. Roshan Kumar

Membership subscriptions from all states was read out by Secretary, and for this year 2023-24 the OASIS received subscriptions from Karnataka, Keraka & TN from its new members. AP, Telangan & Pondicherry had their old dues and also current dues which are still unpaid.

The respective state secretaries were appraised to clear the dues ASAP.

Dr.Selvaraj commented since the monies are already collected by those states from their new members, what is the difficulty in passing it on to OASIS,.

Financial status of OSIS was read out by Treasusrer- Dr.Manjunath, since that was not an audited report, Dr.Deen Mohammed & Dr.Thirunarayan pointed out that it cannot be passed in the GBM without auditors signature, and GBM instructed the treasurer to submit the audited report at the earliest.

Dr.Vijaychander reddy suggested that a real financial report as presented now along with audited report both should be presented (as the financial year of OSIS is different from the general financial year due to the taking over of the office in OASIS is on different month than regular financial year)

Dr.Vijaychander reddy suggested why OASIS should not apply for 80G status, for which Dr.Aneen kutty clarified that 80G if opted, our 12A status will get affected and there will be strict scrutiny and hence it is not advisable.

Regarding GST, Dr.Tajan pointed out since our income is within 20Lacs per annm we don't fall under GST purview

Academic committee report was read out by Chairman Dr.Krishna gopal

IT & Media committee report was read out by Dr.Naresh

Journal Committee – It was decided to reform the Journal committee with Dr.Thanappan As editor in chief, and GBM nominated Dr.Thirunarayan from TNOA as Associate Editor & Advisor.

Along with them one associate editor from each state and one assistant editor from each state shall be in the journal committee. State office-bearers were asked to shortlist these 2 names and inform the same to Secretary at the earliest.

Regarding the best chapter award, TNOA President & Secretary pointed out that they had written to the Secretary that the marking criteria should not include the “journal of OASIS” as a point, as there were discrepancies in OASIS journal (like there was only one journal this year, the journal contained only 11 papers while max marks was 20 etc...) they also suggested best chapter award is creating competitions between states & disturbing the cordiality.

Answer: Dr.Vijayachander Reddy who headed the team of judges for best chapter award tabulation said the criteria’s were carefully considered and strictly monitored and a fair marking was done considering all the above mentioned points, and he also showed the calculations sheets of the same. The GBM decided to continue with the best chapter award and the way it is being done till now.

OASIS Traumacon - Name usage was objected by Dr.Shushruth Babulkar & team from Mumbai as it is violation of copyright act, and they had requested us not to use the name TRAUMACON. The EC proposed to the GBM that we can modify the name as OASIS TRAUMACONCLAVE, the house approved it.

The Clashing of dates of Annual conferences of AP & Telangana with that of other states was discussed and the GBM reiterated that all annual conference dates are to be fixed in such a way that they shouldn’t clash. The TS & AP office-bearers were requested to rectify this after deliberating in their GB

Regarding Renewal of Registration of OASIS, it was deliberated in depth and GBM decided that the Secretary shall start the process of getting the renewal done with the help of TNOA Secretary Dr.Thirunarayanan.

Dr.Thirunarayanan mentioned that if any society has not renewed its registration for over 10 years, then there will be a penalty year wise. Secretary was requested to take help from Thirunarayan TNOA Secretary, and also using the contacts of Dr.Selvaraj in getting registration renewed.

Dr.Vijayaraghavan suggested that an assistant to the Secretary should be appointed on pay, to assist the Secretary and also to remind him about the works to be carried out.

TNOA President suggested that an associate EC member should be inducted whose term should be at least 2 years, so that when new Secretary from any state takes over the office shall be guided about the affairs of OASSIS by the associate EC member from that state who’s already in the EC of OASIS – The GBM decided to induct one Nominated member from each state into the EC. Secretary will coordinate and get the nominated members list from all states and form the new EC.

Dr.Tajan – Organizing Secretary gave a report on OASISCON 2024 at Palakkad- as per that there were total 270 participants ,out of which 12 LMs & 7PGs from AP, 08LMs & 25PGs from KA, 100 LMs & 08PGs from KL, 04 LMs & 17PGs from TS, 27 LMs & 22PGs from TN, 11LMs & 18PGs PY totalling to 259 registered delegates plus complimentary registrations given to 11members.

Dr.Selvaraj suggested that there is a definitive disconnect between an ordinary members of any state with OASIS, this is because of lack of communication between the two. He insisted that the affairs of the OASIS, including EC & GBM minutes should be communicated to every member of OASIS also, this can only be achieved if the respective state secretaries disseminate the information in their state newsletters, whatsapp groups and meetings.

Dr.Krishna Gopal President elect OASIS briefed about the forthcoming OASISCON 2025 at puducherry.

Dr.Sachhidananda rai gave an audited report of OASISCON 2023 held at mangalore and also they (from Canara orthopedic association) presented additional 5 Lac rupees cheque as additional contribution to OASIS from OASISCON2024.

All member state's secretaries presented their state activities report.

The meeting concluded with National anthem

OASIS Conclave 2024

The poster features logos for the Orthopaedic Association of South Indian States, the Tamil Nadu Orthopaedic Society, the Chengalpattu Orthopaedic Society (CHOS), and Chettinad Academy. TNOA Prof.T.K.S Mid-Year Con 2024 on 20.07.2024 to 21.07.2024 at G.S.Resorts, Velankanni.

TNOA Prof. TKS Midyearcon 2024: Paediatric Orthopaedics Conference

The TNOA Prof. TKS Midyearcon 2024, themed "Paediatric Orthopedics," was held on July 20-21, 2024, at Velankanni GS Resorts. The conference aimed to update participants on recent advancements in paediatric orthopaedics and address common dilemmas in daily practice.

Key Highlights:

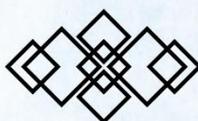

- 70 esteemed speakers from across India and one international speaker shared their expertise.
- Comprehensive discussions focused on:
 - Paediatric fractures: latest management techniques and best practices
 - Deformity correction: innovative approaches and case studies
 - Paediatric spine disorders: diagnosis, treatment, and rehabilitation
 - Paediatric tumors: advances in management and treatment options
- Notable presentation by Prof. Mathew Varghese during the Prof. S. Natesan Oration highlighted CTEV management.
- Tamil Scientific Session featured practical case examinations for postgraduates.
- Interactive panel discussions and debates encouraged active participation from attendees.

Research Presentations:

- Postgraduates presented 70 research papers, showcasing innovative research and projects in pediatric orthopedics.
- 65 posters were displayed, kindling the knowledge among budding orthopedicians and fostering a spirit of inquiry and discovery.

Awards and Recognition:

- Best Paper Award and Best Poster Award were presented to recognize outstanding research contributions.

- Certificates of appreciation were given to all participants and presenters.

Conference Outcomes:

- Enhanced knowledge and understanding of recent updates in pediatric orthopedics.
- Improved skills in managing complex cases and dilemmas.
- Valuable connections and collaborations forged among professionals in the field.
- Exposure to cutting-edge research and advancements in pediatric orthopedic care.

Attendance:

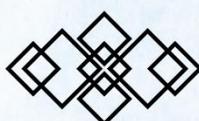

- 350 attendees participated in the conference, including pediatric orthopedic surgeons, researchers, and postgraduate students.

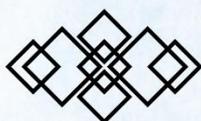

Conclusion:

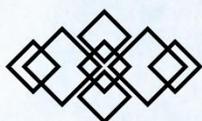

The Prof. TKS Midyearcon 2024 was a resounding success, providing a platform for knowledge sharing, skill enhancement, and collaboration among pediatric orthopedic professionals. The conference reinforced the importance of staying updated on recent advancements and best practices in pediatric orthopedics, ultimately improving patient outcomes and advancing the field.

Future Directions:

- The conference paved the way for future research collaborations and knowledge sharing initiatives.
- Plans for the next edition of the conference were discussed, with a focus on expanding participation and exploring new themes.

TNOACON 2025 - Cuddalore

From the Desk of Organising Secretary

Dear colleagues,

Vanakam,

We extend our heartfelt invitation to the 58th TNOA 2025 Annual State Orthopaedic Conference scheduled to take place on February 7th, 8th, and 9th, 2025, at Sangamithra Convention Centre in Villapuram, District, Cuddalore.

Join us for an exceptional opportunity to engage with renowned experts, exchange invaluable insights, and forge enduring connections within the Orthopaedic community from the stalwarts of Tamil Nadu and across the country. Together, let us embark on a journey of discovery, collaboration, and innovation.

The Scientific team promises a comprehensive agenda featuring keynote talks, interactive workshops, and ample networking opportunities designed to elevate your professional journey and inspire excellence in patient care.

Theme of the conference is **"Learn from yesterday...Do it right today... Excel Tomorrow"**.

Cuddalore offers more than just a conference venue; it boasts historic sites and centuries-old pilgrimage spots. The district is renowned for its ancient temples, mosques, and churches, nestled amidst the scenic beauty of the tranquil banks of the Thenpennai river, beautiful beaches and Pichavaram mangrove forest - the world's second largest mangrove forest.

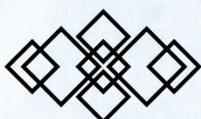

Centrally located and well-connected by rail and road networks, this city serves as a gateway to explore Tamil Nadu and beyond, making it an ideal destination for our gathering.

We warmly welcome you and your family to join us for this academic feast and to experience the cultural and natural splendour of Cuddalore.

Save the dates and we look forward to welcoming you at TNOACON 2025!

With Warm Regards

Yours Truly,
Dr. S Natarajan, Organising Secretary

The programme was accredited 4 credit hours by Tamilnadu Medical Council. All the Sessions were actively participated by delegates. The programme was organised by Prof.N.Manikandan, Prof & HOD, Tirunelveli Medical College Hospital, as Organising Chairman, and Prof.A.Suresh kumar, Professor ,Department of Orthopaedics, Tirunelveli Medical College Hospital as Organising Secretary.

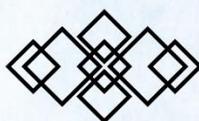

TULIP Basic Shoulder Course at Chennai Upper Limb Unit, Chennai

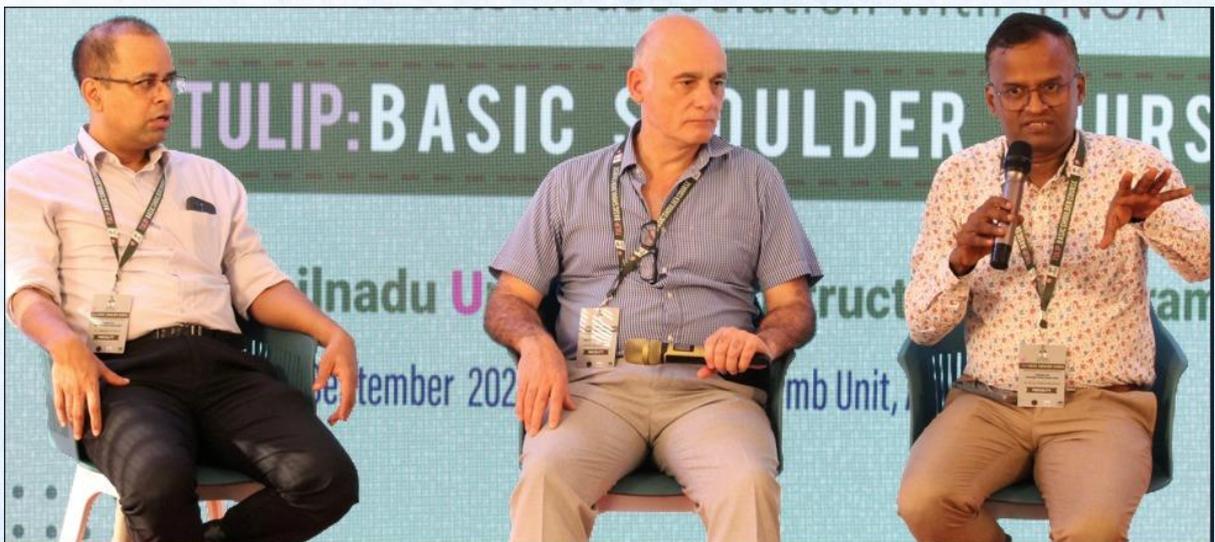

Chennai Upper Limb Unit was proud to host the Tamil Nadu/TNOA Upper Limb Instructional Program: Basic Shoulder Course on 15th September 2024, a one-day teaching event for orthopaedic postgraduate students that aimed to provide a comprehensive overview of basic shoulder pathology and its various treatment options through a novel case-based approach. Held in association with the Tamil Nadu Orthopaedic Association, the conference was attended by over 60 postgraduate students from across the country, as well as HODs and professors from every medical institution offering orthopaedic postgraduate training in Chennai.

Dr Ram Chidambaram, course chairman, presented several cases on painful stiff shoulder and gave the audience an overview of shoulder replacement with live surgery demos. Next came the inaugural ceremony, which marked the formation of the Indian Shock Wave Association. This was followed by an overview of rotator cuff tears and repair options by Prof Dr Daniel Moya, our esteemed international faculty from Buenos Aires, Argentina. Dr Shirish Pathak rounded off the third academic session by discussing shoulder instability with step-by-step demos of various surgical stabilization procedures.

The afternoon featured highly anticipated case discussions with all three faculty. The delegates got involved in heated debates as they were presented with cases that emphasized the importance of history and physical examination, diagnostic algorithms and approach to management. Together, the panel offered a brief but brilliant glimpse into the vast and varied spectrum of shoulder pathology.

The evening came to a close with a rapid fire x-ray round conducted by Dr Pathak and an interactive roundtable on shoulder implants by Dr Ram Chidambaram. The event received plenty of positive feedback from the professors and delegates in attendance, who praised the fantastic way the course had been constructed and its aim to set a precedent for continuous professional development in the next generation of orthopaedic surgeons.

Ortho-One launches 'Halt Sports Injuries' movement

The Hindu Bureau
COIMBATORE

Coimbatore-based Ortho-One Orthopaedic Specialty Centre on Sunday launched the 'Halt Sports Injuries' movement to sensitise athletes to sports injuries, and educate them on preventing injuries.

Olympic gold-medallist shooter Abhinav Bindra launched the movement at the "The Athletic Knee" symposium, on the last day of Ortho-One Academy Series-4 symposia, held at

the Gee Dee Auditorium here.

David V. Rajan, organising chairman of the symposia, said that knee injury was prevalent among athletes in India. About 45% of them experience at least one incidence of knee injury in their career. Repetitive sports injury is another category of injury affecting many athletes. "However, 65% of sports injuries are preventable," Dr. Rajan said.

Education, prevention strategies, performance

enhancement, counselling to children on sports, and pre-participation screening are among the components of the movement. Experts in the field of sports medicine, sports and physiotherapy attended panel discussions on various topics.

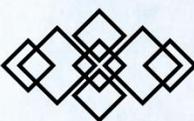

I.M. Vijayan, former captain of the Indian Football Team; G.E. Sridharan, former Indian volleyball player; John Gloster, former physiotherapist of the Indian Cricket Team; Herman Liebenberg, strength

and conditioning coach; C. Sylendra Babu, former DGP of Tamil Nadu; R. Natarajan IRS; Joel Sundaram, national cyclist; and Muneer Sait, former Indian hockey player, were among the dignitaries.

Organised in collaboration with Sports Science India and Abhinav Bindra Targeting Performance, the first two days of the symposia, which began on June 14, was held under the title "The Aging Knee". *The Hindu* was the media partner.

For fit athletes: Olympic gold-medallist shooter Abhinav Bindra, fifth from left, launching the 'Halt Sports Injuries' movement in Coimbatore on Sunday. M. PERIASAMY

2024-25
TEAM Signature

May be our steps are small, but our dreams are very strong and vivid. Even the smallest steps in the right direction may end up as the biggest step of the life.

We have dared to attempt. Rest is left to destiny.

We are all grateful to everyone who brought us to where we are and excited about where we aim to be.

We welcome you all to join the inaugural function of our ventures.

Your presence, blessings and recognition will motivate and make us run faster.

ROTARY CLUB OF

---Sculpt yourself---

The basic philosophy of life, in which we strongly believe. Powerful dreams, uncompromised dedication, selfless efforts and team work are our mantras.

Than to keep blaming the odds of the society we focus on actions to rectify it. May be... It is a long journey. But the journey of thousand miles begins with a single step. We are stepping forward with some ventures towards the betterment of our society.

Join hands with us.

Let us all make this world a beautiful and better place to live.

Together we can DO IT.

Kindly greet, wish and bless our efforts by your gracious presence.

"TNOA PROFESSIONAL INDEMNITY SCHEME"

Professional Indemnity Insurance for Orthopaedic Surgeons

DOCTOR'S INDEMNITY / PROFESSIONAL INDEMNITY

The policy indemnifies any act committed by the insured, who shall be Registered Medical Practitioner, giving rise to any legal liability to Third Parties. The Insured includes policy holder and the qualified assistants or employees named in the proposal.

The Act has to be committed during the period of insurance commencing from the retroactive date (first day and time on which insurance has commenced and continued thereafter without break)

Revised Premium w.e.f 12/04/2022

Premium to be charged on Any One Year - AOY				
Details of Insured	Sum Insured In Rs.	Ratio	Existing Premium (Incl GST)	Premium w.e.f 01/07/2023

		1:2	28321	59000
				47220

Scope of the Policy

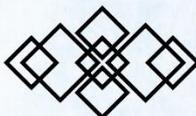

The policy covers all sums which the insured professional becomes legally liable to pay as damages to third party in respect of any error and/or omission on his/her part committed whilst rendering professional service.

Legal cost and expenses incurred in defence of the case, with the prior consent of the insurance company, are also payable, subject to the overall limit of indemnity selected.

Only civil liability claims are covered. Any liability arising out of any criminal act or act committed in violation of any law or ordinance is not covered.

Claim Procedure

1. Civil Liability claims will arise if there is prima facie evidence of negligence by the insured resulting in injury or death to any third party or resulting in damage to property belonging to a person other than insured.
2. In case of any claim Insurance Company has to be informed immediately.
3. In case of Legal Notice / Summons is received, it should be sent to Insurance company immediately. The Company has the option of arranging defence of the case.
4. Occurrence of the claim should be during the period of insurance or retroactive period.
5. The maximum amount payable including defence cost will be the AOA limit selected.
6. Any number of such claims made during the policy period will be covered subject to the total indemnity not exceeding the Any One year limit.
