From the Desk of the President

Dear Honourable Members,
Greetings!

I feel extremely proud and satisfied by the various activities of TNOA over the past eight months. As mentioned in my route map I was able to do justice to my proposals with all your phenomenal support. With the constructive inputs from all our EC members, TNOA was able to achieve many things in academics, research, social front and in fulfilling the needs of our members. Both OASIS and IOA appreciated the enormous enthusiasm and cooperation among our members.

We had a successful Bone and Joint Day activities for this year by all our members. A detailed report is presented in this newsletter. I would like to remind all of you that TNOA's Bone Health Awareness Fortnight is celebrated from 10th October to 23rd October 2017. I request all of you to see the Calendar of Events and conduct various welfare activities in your respective places and send the report to our Hon. Secretary, Prof. M. Antony Vimalraj. All these will help us to be a powerful contender for the A.K. Gupta Best Chapter Award of IOA. I request for your wholehearted support.

We have been making good progress in acquiring the TNOA building. We are in short of about fifty Lakh rupees. I request every one of you to donate liberally for the building fund so that we can have a building of our own by the end of 2018. The work on indexing of our journal is progressing well and I appreciate the untiring efforts of our Editor, Prof. N. Thanappan.

We had an excellent TNOA Prof. T.K. Shanmugasundaram's Midyear CME at Trichy. It was very well organized by the Trichy Ortho Club and there was huge delegate participation. The preparations for the forthcoming TNOACON 2018 at Nagarcoil is in full swing hosted by the Kanyakumari Orthopaedic Society under the able leadership of Dr. S. Krishna Kumar, the Organizing Secretary and Dr. R. Mohandhas, the Organizing Chairman.

I am happy to inform you that we officially inaugurated Krishnagiri Orthopaedic Society on 24th September 2017. It is the 16th District Club affiliated to TNOA. The Thiruvavur Ortho Club is to be inaugurated on 8th October 2017. It will be the 17th Club. For the First time, TNOA is organizing an Edutainment program to Srilanka from 30th September to 3rd October 2017. In collaboration with Srilanka Orthopaedic Association we are planning to have a seminar on Complex Trauma at Kandy on 30th September 2017.

The Medico-legal wing of TNOA with Dr. Francis Roy, Joint Secretary as the Coordinator, is organizing a program on 29th October 2017 in the South Zone. It will be an eye opener for us and I invite all of you to attend the program.

Through this final Newsletter of this year, I sincerely thank each and every one of you for your cooperation and support in various TNOA activities.

Long live TNOA! Long Live IOA!

Truly in TNOA service,

Dr. S. Ramesh Babu

President, TNOA 2017 - 18

From the desk of the Secretary

Respected teachers, senior members and friends,

Greetings from Tamil Nadu Orthopaedic Association!

Newsletter is the most important communication channel between Tamil Nadu Orthopaedic Association and its all members. This not only gives information but is a channel to make members well informed to get positive input during deliberations.

We would like to maintain the outline as well as the complete plan of the newsletter as "TNOA NEWSLETTER" more informative. We have tried to incorporate news from IOA and its announcements.

I request all of you to take part in the IOA and TNOA election process and request everyone to cast their votes.

As informed in the first newsletter, for effective communications between TNOA and members we have started Whatsapp groups as "TNOA Activities Group". Already we have email communications. Those who are not receiving emails and messages are requested to send their details to me at secretarytnoa@gmail.com and 9566221195.

We have made a lot of changes in our web site and request all to visit our website, 'www.tnortho.org'. I also request you all to update your contact details in TNOA website.

All the life membership applications will be digitalized and incorporated in our website with members' details.

I request all senior members to encourage juniors to become members of our association.

Our members actively took part and performed many free surgeries and various activities as part of IOA's National Bone and Joint Day - 2017'.

I also request you all to donate for our TNOA Building Fund.

On behalf of Tamil Nadu Orthopaedic Association I would like to welcome all of you to IOACON2017 in Indore and TNOACON2018 in Nagercoil.

With warm regards & best wishes

Dr. M. Antony Vimal Raj

Secretary, TNOA

Editor

Tamil Nadu Orthopaedic Journal

TNOA welcomes scientific material for publication in the
Tamil Nadu Orthopaedic Journal

Two copies of the manuscript along with print version in MS word on a CD and neat and clear illustrations should be submitted. In case one wishes to send articles on-line, it should be sent in word document format for written materials. Pictures must be sent in a C.D. only by post/courier.

Preparation of manuscript: Type manuscript on white bond paper 22 x 28 cm with liberal margins of at least 2.5 cm. Use double spacing including title page, abstract, text acknowledgements, references, tables and legends of illustrations. Begin each of the following sections on separate pages. Number pages consecutive, in the upper right corner of each page.

Title Page: The title page should contain

1. The title of the article, which should be concise but informative,
2. A short running head of foot line of no more than 40 characters,
3. First name, Middle and last name with initial of each author.
4. Name of Co author(s)
5. Name of department(s) and institution(s) to which the work should be attributed,
6. Disclaimers, if any
7. Name and address of author including phone number/mobile number and e-mail if any, for any clarifications.
8. The source of support in the form of grants, equipment, drugs, none or all of these.

Abstract: An informative abstract of about 150 words must accompany each manuscript, it should be suitable for use by abstracting journals and include data on the problem method and materials, results and conclusion.

Key (Indexing) terms: Below the abstract, provide and identify as such, three to ten key words or short phrases that may be published with the abstract and that will assist indexers in cross-indexing your article. Use terms from the medical subject heading list from the Index Medicus whenever possible.

Introduction: Acquaint the readers with the problem and quote the most pertinent paper. Mention clearly the purpose of the work.

Material and Methods: Explain in detail, elaborately and clearly, your clinical, technical or experimental procedures. Previously published methods should be cited only in appropriate references. Mention the number of patients or cases in words e.g five patients instead of 5 patients.

Results: Describe your findings without comment. Include a concise textual description of the data presented in tables, charts and figures. Please prepare tables/charts as a separate document in word and send as separate folder without mixing up in the word document.

Discussion: Comment on your results and relate them to those of other authors, define their significance for experimental research of clinical practice. Arguments must be well founded.

Tables: Tables should be self-explanatory and should supplement, not duplicate the text. Type each table on a separate sheet with double space. Number tables consecutively with a brief title for each. Give each column a short abbreviated heading. Place explanatory matter in footnotes. If you use data from another published or unpublished source, obtain permission and acknowledge fully. Please prepare tables as a separate document in word and send as separate folder without mixing up in the word document.

Illustrations: Use only those illustrations that clarify and increase understanding of the text. All illustrations must be numbered and cited in the text. Two black and white glossy print photographs of each illustration should be submitted. The following information should be typed on a gummed label and affixed to the back of each illustration; figure number, title of manuscript, Name of senior author, and arrow indicating top. Please do not write in ink at the back of the photograph. All illustrations have to be sent, as separate JPEG image files in a C.D. Colour pictures are also welcome.

A word on scanning or digital imaging: It is preferable to scan pictures in 300 dpi. If pictures already taken have to be chosen please use Photoshop and save as jpeg in minimum 300 resolutions. Digital images may be made in 3.0 or more mega pixels. This will help in prevention of distortion of pictures when enlarged.

Legends for illustrations: Type legends/captions for illustrations double - spaced, starting on separate page with arabic numerals corresponding to the illustrations.

References:

In the text should include only those that are important and have been studied in fully by the authors. References are a must for any article and those without references would be rejected.

Case Reports are welcome and such case reports and other short submission should be sent in the format of a full paper including and abstract and captions.

All submission should be addressed to:

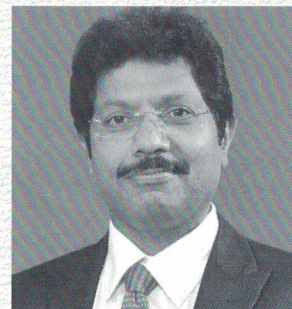

Dr. Thanappan, 21/4,VellankannilndStreet Balaji Nagar, Tirupparankundram, Madurai-625005.

Email: thanapps@dr.com Mobile: 9442160708

Note: Kindly visit the official website of the Tamil Nadu Orthopaedic Association (www.tnortho.org) for details of submission of scientific material for publication in the Journal. We encourage case studies more than single case reports since the TNOA is aiming at making the journal a listed journal.

TNOA Gold medals in Orthopaedic Sub-Specialties - Appeal

From

Prof Dr R. Sivakumar, M.S (Orth), D Orth,
Immediate Past President, TNOA
Madurai.

Dear Members,

Sub: TNOA Gold medals in Orthopaedic Sub-Specialties.

In continuation of our culture of honouring the Great Doyens in Orthopaedics, The TNOA Gold medals to be given for the Sub Specialties in Orthopaedics like Paediatric Orthopaedics, Spine, Arthroplasty, Arthroscopy, Foot & Ankle, Orthopaedic Oncology, were discussed in the Annual General Body Meeting, at TNOACON 2017, Coimbatore.

After discussion it was decided to call for nominations to honour the great veterans who have worked and rendered/ rendering service in those particular fields. Eminent Orthopaedic Surgeons & others who would like to honour their beloved Teachers/ Mentors can nominate the names for the concerned Sub Specialty. The endowment would be 5 lakhs for each Award.

We have received few nominations so far. I request all members to utilize this great opportunity to honour our Senior Faculty / Teachers / Mentors. A committee has been formed by our President Dr. S. Ramesh Babu and the decision will be finalized by the committee. Kindly send the nominations by email or by Post.

Thanking you,

Prof Dr R. Sivakumar

TNAOCON 2019

Dear TNOA Members,

Greetings from Madurai,

TNOACON 2019 has been planned in the dates of February 8,9,10 as per the AGM in February 2017 Coimbatore. The venue has been tentatively fixed as Hotel Sangam Madurai, the bank account is opened and the committees are in the formative stage. The Scientific committee chairman Prof. Dr. Thanappan and his team are planning for an academic feast in the best modules. Madurai is known as Temple city of Goddess Meenakshi with many pilgrimage places alike nearby. Kodaikanal a hill station is just few hours away to repose, for a busy Orthopedic Surgeon. Possibilities are abound for all, during the conference.

We, The Department of Orthopedics, Madurai Medical College and Madurai Orthopedic Society, Myself and organising Chairman Dr. Sathyanarayana will be very much delighted to welcome you all.

Apart from the academic feast we will also be able to host a good gastronomic feast.

With Regards
